## *COMMONWEALTH OF MASSACHUSETTS*

NORFOLK, SS.

TO GEORGE TWIGG, a Constable of the Town of Needham, in said County, GREETING :

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and town affairs, to meet at the town hall in said town on Friday, the sixteenth day of January next, at eight o'clock in the afternoon, then and there to act upon the following articles, viz. : —

Article 1. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary to cover any deficiencies that may appear in the appropriation for the fiscal year ending December the thirty-first, nineteen hundred and thirteen.

Article 2. To see what action the town will take in regard to unexpended balances.

Article 3. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary to carry on the several departments of the town for the remainder of the municipal year ending March the second, nineteen hundred and fourteen.

Article 4. To hear and act on reports of town officers and committees.

Article 5. To see what action the town will take upon the report of the special committee appointed to consider the question of building a new school house on Greene Field, and appropriate such a sum of money as may be necessary to carry out the recommendations of the committee, or pass any vote or votes relative thereto.

Article 6. To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to issue the notes or bonds of the town to an amount not exceeding \$45,000, and for a period not exceeding twenty years, the proceeds thereof to be used for the construction of the new primary school house, as voted by the town in the preceding article, or pass any vote or votes relative thereto.

Article 7. To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to borrow, on temporary loan, such sums of money as may be necessary in anticipation of issuing its primary school house bonds, the same to be paid therefrom.

Article 8. To see if the town will vote to elect its overseers of the poor in the manner provided by Sect. 367 of chap. 560 of the Acts of 1907 or any amendments thereto, or pass any vote or votes relative thereto.

Article 9. To see if the town will vote to petition the director of the bureau of statistics for an audit of its accounts in accordance with Chap. 706 of the Acts of 1913, upon petition of Finance Committee.

Article 10. To see if the town will vote to abolish the office of town auditor and authorize the selectmen to appoint a town accountant in accordance with the provisions of Chap. 624 of the Acts of 1910 as amended by Chap. 207 of the Acts of 1911, or pass any vote or votes relative thereto upon petition of finance committee.

Article 11. To see what manner of transportation the town will give to the children of the Eliot school district to and from the Avery school and to appropriate money for the same, on petition of W. P. Meehan and others.

Article 12. To see if the town will instruct the selectmen to apply to the Middlesex & Boston Street R. R. Co. to grant the same privileges regarding transfers and fares between Needham and Newton Highlands, as are allowed the passengers between Needham and Natick, and that failing such application being granted, the selectmen apply to the public service commission for an order directing the company to comply therewith, on petition of W. C. Payne and others.

Article 13. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, and especially to act upon appropriations asked for or proposed by the selectmen, or by any town officers or committees.

Article 14. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow such sums of money as may be necessary to carry out the above votes under this warrant.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said

meeting, and also leave a copy at each of the several dwelling houses within the town.

Hereof fail not and make due return of this warrant with your doings thereon unto our town clerk on or before said day and hour.

Given under our hands at Needham aforesaid, this thirty-first day of December, A. D., nineteen hundred and thirteen.

[SEAL]

AUSTIN POTTER,  
JAMES M. McCracken,  
JOHN F. GILFOIL,

Selectmen of Needham.

## Officer's Return

---

NORFOLK, SS.

NEEDHAM, January 5, 1914.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, seven days at least before the time of holding said meeting.

GEORGE TWIGG,

Constable of Needham.

---

A true copy of warrant and officer's return.

THOMAS SUTTON,

Town Clerk.

# Record of Town Meeting

JANUARY 16, 1914

---

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Friday, the sixteenth day of January, in the year one thousand nine hundred and fourteen, at eight o'clock in the afternoon.

The meeting was called to order by the moderator.

Voted to omit reading the articles in the warrant.

The clerk read the warrant and the return of the officer who notified and warned the inhabitants.

Article 1. Voted that the sum of three thousand five hundred and eighty-nine dollars and eighty-nine cents (\$3,589.89) be appropriated to pay the deficiencies or unpaid bills Dec. 31, 1913.

Voted that the sum of one hundred and sixty-nine dollars (\$169.) be appropriated to pay D. Atkinson for horse hire, being balance due Dec. 31, 1913.

Voted that the above amount of one hundred and sixty-nine dollars be added to the sum of three thousand five hundred and eighty-nine dollars and eighty-nine cents and made a deficiency fund.

Article 2. Voted that the unexpended balances for the year 1913 be returned into the treasury:

Article 3. Dismissed.

Article 4. No action.

Article 5. Voted unanimously that the report of the committee on the question of building a new school house on May street, be accepted and their recommendations adopted.

Voted unanimously that the town build a ten room primary school house on May street end of Greene Field according to the plan submitted by Clarence P. Hoyt, architect, provided, that the school house shall be built for an amount not to exceed forty thousand dollars, and that no payment shall be made on account of the same until contracts are made with reliable contractors for the construction of the school house for an amount not to exceed forty thousand dollars, and that the sum of forty-five thousand dollars be appropriated to pay for the construction of the primary school house and for architect's fees, grading, sidewalks, and furnishings, and that the present committee be continued as a building committee, and they are hereby authorized to make all necessary contracts to carry out this vote.

Article 6. Voted unanimously that the town treasurer be and hereby is authorized and directed to issue the negotiable bonds or notes of the town in the aggregate principal sum of forty-five thousand dollars, said bonds or notes to be dated July 1, 1914, payable twenty-five hundred dollars thereof on the first day of July in each of the years 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, and two thousand dollars thereof on the first day of July, 1925, 1926, 1927, 1928, 1929, 1930, 1931,

1932, 1933, 1934, bearing interest at the rate of four per cent per annum, payable semi-annually on the first day of January and July of each year. Said bonds shall be denominated Needham Primary School Loan. They shall be signed by the treasurer and countersigned by a majority of the selectmen of the town. The treasurer shall sell said bonds, and the proceeds thereof shall be used solely to pay the appropriation voted by the town for the construction of the primary school on May street.

Article 7. Voted unanimously that the town treasurer be and hereby is authorized, with the approval of a majority of the selectmen to borrow on temporary loan, such sums of money as may be necessary in anticipation of issuing its primary school bonds, the same to be paid therefrom.

Article 8. Voted unanimously that the town elect its overseers of the poor in accordance with the provisions of Section 367 of Chapter 560 of the Acts of 1907.

Article 9. Voted that the director of the bureau of statistics be hereby petitioned to make such an audit of the accounts of the town as may be necessary for the installation of such system of accounts as may be approved by him, in accordance with the provisions of Chapter 706 of the Acts of 1913 and amendments thereto.

Article 10. Voted that the selectmen be authorized and directed to appoint a town accountant, in accordance with the provisions of Chapter 624 of the Acts of 1910 as amended, and that the office of auditor be abolished as provided in Section 1 of said Chapter, at end of municipal year, March, 1914.

Article 11. Voted that the subject matter of this article be referred to the school committee.

Article 12. Voted unanimously that the selectmen be and hereby are authorized and instructed to apply to the Middlesex & Boston Street Railway Company for the granting of such privileges as to fares and transfers between Needham and Newton Highlands as are accorded the passengers on the company's lines between Needham and Natick, and in case of the company's refusal or failure to comply with the request, to apply to the Public Service Commission for an order directing the establishment of such fares and transfers or their equivalent.

Article 13. No action.

Article 14. Voted unanimously that the town treasurer, with the approval of the selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1914, to an amount not exceeding in the aggregate three thousand seven hundred and fifty-eight dollars and eighty-nine cents, and to issue a note or notes therefor, payable within one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year.

At 10.20 p.m. voted that the meeting be dissolved.

Dissolved.

Attest :

THOMAS SUTTON,

Town Clerk.

## Finance Committee

---

Needham, Mass., Feb. 13, 1913

Thomas Sutton, Town Clerk, Needham, Mass.

Dear Sir: I have made the following appointments to fill vacancies on the finance committee: Everard W. Pinkham to fill vacancy caused by resignation of Howard A. Crossman, and Edward E. Dailey to fill vacancy caused by resignation of William Gorse.

Yours very truly,

WM. G. MOSELEY,

Moderator.

# Warrant for the Annual Town Meeting

MARCH 2, 1914

---

## *COMMONWEALTH OF MASSACHUSETTS*

NORFOLK, SS.

To John W. Crisp, a constable of the town of Needham,  
in said county, GREETING :

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town on Monday, the second day of March next, at five forty-five o'clock in the forenoon, then and there to act upon the following articles, viz. : —

ARTICLE 1. To hear and act on the reports of town officers and committees.

ARTICLE 2. To choose by ballot the following town officers : One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for one year, one overseer of the poor for two

years, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one member of school committee for two years to fill vacancy, one water commissioner for three years, two trustees of the public library for three years, one park commissioner for three years, one tree warden for one year, three members of the finance committee for three years, and upon the same ballot to vote "yes" or "no" upon the following questions: "Shall chapter 487 of the Acts of nineteen hundred and thirteen, being an act relative to the promotion of call men in the fire departments of cities and towns be accepted?" "Shall chapter 807 of the Acts of nineteen hundred and thirteen, being an act to provide for compensating laborers, workmen and mechanics for injuries sustained in public employment, and to exempt from legal liability counties and municipal corporations which pay such compensation, be accepted by the inhabitants of this town?" "Shall this town accept the provisions of section forty-two of chapter five hundred and fourteen of the Acts of the year nineteen hundred and nine, as affected by chapter four hundred and ninety-four of the Acts of the year nineteen hundred and eleven, which provides that eight hours constitute a day's work for city or town employees?" "Shall licenses be granted for the sale of intoxicating liquors in this town?"

ARTICLE 3. To choose or appoint all other necessary town officers in such manner as the town may determine.

ARTICLE 4. To see what disposition the town will make of the money received for dog licenses.

ARTICLE 5. To see if the town will vote to authorize the treasurer with the approval of the selectmen to borrow money in anticipation of the revenue of the current financial year.

ARTICLE 6. To see what sums of money the town will appropriate for the construction, maintenance and repairs of highways, townways, sidewalks and bridges; for the support of the schools; for the maintenance of the public library; for the relief and support of the poor; for the observance of Memorial Day; for the care and improvement of parks and public grounds; for the use of the tree warden; for other necessary town charges and expenses.

ARTICLE 7. To see how the town will have its taxes collected and fix the compensation therefor for the current year.

ARTICLE 8. To see what action the town will take in regard to pay of town officers.

ARTICLE 9. To see if the town will vote to appropriate the sum of five hundred dollars (\$500) for the celebration of July 4th, 1914, upon petition of J. Percy Chambers and others.

ARTICLE 10. To see if the town will vote to establish a system of garbage collection and appropriate money for the same.

ARTICLE 11. To see if the town will vote to transfer the inspection of plumbing from the board of health to the building inspector, upon petition of the board of health.

ARTICLE 12. To see if the town will vote to authorize the school committee to establish an evening school and appropriate money therefor.

ARTICLE 13. To see what action the town will take in regard to amending the building laws or pass any vote or votes relative thereto.

ARTICLE 14. To hear and act on the report of the playground committee appointed at the March town meeting, 1912.

ARTICLE 15. To determine if the town will adopt the recommendations of the playground committee and authorize the purchase of land for playground purposes or seize the same under authority of law, and appropriate money therefor or pass any vote or votes relative thereto.

ARTICLE 16. To see if the town will vote to authorize the treasurer with the approval of the selectmen, to issue the notes of the town for an amount not exceeding \$6000 for the payment of the purchase price of the land to be used for playground purposes.

ARTICLE 17. To see if the town will vote to accept Manning street from Powers to Brookline streets as laid out by the selectmen under chap. 50 of the Revised Laws and amendments thereto.

ARTICLE 18. To see if the town will vote to appropriate the sum of fifteen hundred dollars for the construction of Manning street upon petition of Edmund G. Herdman and others.

ARTICLE 19. To see if the town will vote to accept Parkinson street as laid out by the selectmen under chap. 50 of the Revised Laws and amendments thereto.

ARTICLE 20. To see if the town will vote to appropriate the sum of one thousand dollars for the construction of Parkinson street upon petition of Ernest B. Allen and others.

ARTICLE 21. To see if the town will vote to accept Fair Oaks Park extension from May to Kingsbury streets as laid out by selectmen under chap. 50 of the Revised Laws and amendments thereto.

ARTICLE 22. To see if the town will vote to appropriate the sum of eight hundred dollars for the construction of Fair Oaks Park extension upon petition of John Moseley and others.

ARTICLE 23. To see if the town will vote to accept Kingsbury street from Webster to Pickering streets as laid out by the selectmen under chap. 50 of the Revised Laws and amendments thereto.

ARTICLE 24. To see if the town will vote to appropriate the sum of eighteen hundred dollars for the construction of Kingsbury street upon petition of Fred R. Mills and others.

ARTICLE 25. To see if the town will vote to accept Otis street as laid out by the selectmen under chap. 50 of the Revised Laws and amendments thereto.

ARTICLE 26. To see if the town will vote to appropriate the sum of four hundred and fifty dollars for the construction of Otis street upon petition of Samuel Kingsbury and others.

ARTICLE 27. To see if the town will vote to accept Harris avenue from Dedham avenue to Bradford street, as laid out by the selectmen under chap. 50 of the Revised Laws and amendments thereto.

ARTICLE 28. To see if the town will vote to appropriate the sum of fifteen hundred dollars for the construction of Harris avenue, upon petition of John F. Moore and others.

ARTICLE 29. To see if the town will vote to accept the alteration of Mark Tree road as laid out by the selectmen.

ARTICLE 30. To see if the town will vote to appropriate the sum of one thousand dollars to be expended for the repair and improvement of High Rock street from Mark Tree Road to the railroad location, upon petition of Walter B. Chaffin and others.

ARTICLE 31. To see if the town will vote to change the rate of interest on the water loan bonds authorized by the town at its annual meeting held March 3rd and 17th, 1913, and at the special meeting held October 2, 1913, or pass any vote relative thereto.

ARTICLE 32. To see if the town will vote to direct its selectmen to prepare a division of the town into convenient voting precincts in accordance with the provisions of sec. 166 of chap. 11 of the Revised Laws and amendments thereto, or pass any vote or votes relative thereto.

ARTICLE 33. To see if the town will vote to have the reports of its officers, and the proceedings of this and subsequent town meetings printed and copies thereof distributed.

ARTICLE 34. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, and to act upon all the appropriations asked for or proposed by the selectmen or by any town officers or committees.

The polls may be closed at four o'clock, p. m.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places

in said town at least seven days before the time of said meeting, and also to leave a copy at each of the several dwelling houses within the town.

Hereof fail not and make due return of this warrant with your doings thereon, unto our town clerk, on or before said day and hour.

Given under our hands at Needham aforesaid this twentieth day of February A. D., nineteen hundred and fourteen.

[SEAL]

AUSTIN POTTER,  
JAMES M. McCracken,  
JOHN F. Gilfoil,

Selectmen of Needham.

## Officer's Return

---

NORFOLK, SS.

NEEDHAM, Feb. 21, 1914.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, more than seven days before the time of holding said meeting.

JOHN W. CRISP,

Constable of Needham.

---

A true copy of warrant and officer's return.

THOMAS SUTTON,

Town Clerk.

# Record of the Annual Town Meeting

MARCH 2, 1914

---

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Monday, March 2 A. D., 1914, at forty-five minutes past five o'clock in the forenoon.

The meeting was called to order by the moderator.

Voted to omit reading the articles in the warrant.

The town clerk read the warrant and the return of the officer who notified and warned the inhabitants.

ARTICLE 2. Voted to proceed to vote for the following town officers, viz.: One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for one year, one overseer of the poor for two years, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one member of school committee for two years to fill vacancy, one water commissioner for three years, two trustees of the

public library for three years, one park commissioner for three years, one tree warden for one year, three members of the finance committee for three years, and upon the same ballot to vote "yes" or "no" upon the following questions: "Shall chapter 487 of the Acts of nineteen hundred and thirteen, being an act relative to the promotion of call men in the fire departments of cities and towns be accepted?" "Shall chapter 807 of the Acts of nineteen hundred and thirteen, being an act to provide for compensating laborers, workmen and mechanics for injuries sustained in public employment, and to exempt from legal liability counties and municipal corporations which pay such compensation, be accepted by the inhabitants of this town?" "Shall this town accept the provisions of section forty-two of chapter five hundred and fourteen of the Acts of the year nineteen hundred and nine, as affected by chapter four hundred and ninety-four of the Acts of the year nineteen hundred and eleven, which provides that eight hours constitute a day's work for city or town employees?" "Shall licenses be granted for the sale of intoxicating liquors in this town?"

Pursuant to section 235 of chapter 835 of the Acts of 1913, the selectmen having appointed Francis J. Stanwood, Thomas R. Quinlan, James E. Tisdale and William Walker as ballot clerks, they were sworn to the faithful discharge of their duties by the moderator.

The ballots prepared for use at this election by the town clerk were then delivered by him to the presiding officer and his receipt taken therefor.

Cards of instruction and specimen ballots were then posted as required by section 280 of chapter 835 of the Acts of 1913.

The ballot box furnished by the Commonwealth for use

at elections was publicly opened by the moderator and shown to be empty. The box was then locked and the key delivered to John W. Crisp, the officer in attendance.

The polls were opened at forty-nine minutes past five in the forenoon and were kept open until seven o'clock in the afternoon, when, as the meeting previously voted, they were closed.

Voted to defer action on all articles except article two for the election of officers, until thirty minutes past seven o'clock in the afternoon.

Tellers were appointed by the moderator and sworn by him, viz.: John J. Coppinger, Clyde E. Cookson, Wallace G. Rae, J. Worth Brownville, Harley E. Crisp, Henry S. Rodgers, Timothy Allman, J. Percy Chambers, G. Waldo Crawley and Rodney S. Adams.

At 11.40 a.m., the ballot box was opened by order of the moderator and town clerk, and five hundred and fifty ballots cast by men voters were taken therefrom, and again at five thirty o'clock, three hundred and fifty ballots were taken therefrom.

As the ballots were taken from the box they were audibly counted by the moderator, the whole number being 1181.

The whole number cast by men voters was 965. The whole number cast by women was 216.

A canvass of all the votes given was made as required by law, the blanks furnished by the secretary of the Commonwealth being used.

**For Surveyors of Lumber**

Franklin Low and Alfred Parker.

**For Measurers of Wood and Bark**

James H. Whetton, Joseph Willett, Patrick J. Reed, Henry E. Poore, Armand J. Mathey.

**For Public Weighers**

Joseph Willett, James H. Whetton, Patrick J. Reid, Armand J. Mathey, Henry E. Poore, Arthur H. Whetton, and Charles H. Walker.

**For Sealer of Weights and Measures**

Armand J. Mathey.

**For Pound Keeper**

Alger E. Eaton.

ARTICLE 4. Voted that the sum of six hundred and thirty-five dollars and forty-one cents, being the amount received from dog licenses, be appropriated for use of the public library.

ARTICLE 11. Voted to refer for action to the adjourned meeting, March the sixteenth.

ARTICLE 13. Voted the following changes and additions to the present building laws : —

PART A.

Sect. 3. Line 23-34.

The present law reading as follows: For the purpose  
24. of obtaining such a permit the person intending to erect  
25. or make such alterations in such buildings shall  
26. seven days at least before he proceeds to build  
27. or erect the same, or lay the foundation thereof,  
28. or to make the said alterations, or to do any act  
29. for carrying into execution his intention to do such  
30. things, file with the Inspector of Buildings on blank  
31. forms furnished by said official, a notice in writing of his  
32. intention, with such plans and specifications, or a full  
33. written description of the structure to be erected, in such  
34. form as may be approved by the Inspector,  
be amended by striking out the words "seven days at least" in  
line 26, so as to read :

For the purpose  
24. of obtaining such a permit the person intending to erect  
25. or make such alterations in such buildings shall  
before he proceeds to build  
27. or erect the same, or lay the foundation thereof,  
28. or to make the said alterations, or to do any act  
29. for carrying into execution his intention to do such  
30. things, file with the Inspector of Buildings on blank  
31. forms furnished by said official, a notice in writing of his  
32. intention, with such plans and specifications, or a full  
33. written description of the structure to be erected, in such  
34. form as may be approved by the Inspector.

PART A.

Sect. 4. Line 35-41.

The present law reading as follows :—

35. Sect. 4. Upon receiving said plans and specifications or  
36. description and authority, the Inspector shall give a per-  
37. mit for the erection of, additon to, or alteration above  
38. described, of any building after he has carefully inspected  
39. the plans, specifications, or descriptions thereof, and  
40. ascertained that they provide for all requirements of the  
41. Statutes and By-laws.

be amended by adding in line 36, the words, " within seven days", so as to read :—

35. Sec. 4. Upon receiving said plans and specifications or  
36. description and authority, the Inspector shall within seven  
days, give a permit  
37. for the erection of, addition to, or alteration above  
38. described, of any building after he has carefully inspected  
39. the plans, specifications, or descriptions thereof, and  
40. ascertained that they provide for all requirements of the  
41. Statutes and By-laws.

PART A.

Sect. 7. Line 70-78.

The present law reading as follows :—

70. Sec. 7. No wooden building, to be used for a dwelling  
71. house, shall exceed forty-five feet in height, and no por-  
72. tion of any wooden building over 10 ft. in height, shall be  
73. placed at a less distance than ten feet from the line of the  
74. lot upon which the building is to be located, or within ten  
75. feet of another wooden building, except where a brick ex-  
76. ternal wall is substituted for a wooden wall, and of a thick-  
77. ness and in the manner prescribed for external walls of  
78. brick buildings.

be amended by adding the words "or other fire resisting wall is substituted etc. etc." so as to read:—

70. Sec. 7. No wooden building, to used for a dwelling  
71. house, shall exceed forty-five feet in height, and no por-  
72. tion of any wooden building over 10 ft. in height, shall be  
73. placed at a less distance than ten feet from the line of the  
74. lot upon which the building is to be located, or within ten  
75. feet of another wooden building, except where a brick or  
76. other fire resisting wall is substituted  
77. for a wooden wall, and of a thickness  
78. and in the manner prescribed for fire resisting external  
79. walls of buildings.

#### PART C.

##### Sect. 42. Line 515-521.

The present law reading as follows:—

515. Sec. 42. All questions as to the intent and meaning of  
516. the By-laws relating to the construction of buildings shall  
517. be decided by the Inspector, but when the Inspector of  
518. Buildings and the owner of the structure fail to agree in  
519. regard to the intent and purpose of these building laws  
520. or any portion thereof, said disagreement shall be referred  
521. to a Board of Appeal.

be amended by adding the words "the contractor" after the words  
"Inspector of Building", line 518, so as to read:—

515. Sec. 42. All questions as to the intent and meaning of  
516. the By-laws relating to the construction of buildings shall  
517. be decided by the Inspector, but when the Inspector of  
518. Buildings, the contractor or the owner of the structure fail  
to agree in  
519. regard to the intent and purpose of these building laws  
520. or any portion thereof, said disagreement shall be referred  
521. to a Board of Appeal.

Voted that the following specifications regarding the use of  
Portland concrete building blocks be added to the building  
laws:—

## Portland Concrete Building Blocks

Concrete blocks shall be made of one part Portland cement to not more than six parts of properly graded aggregate and shall have attained an age of at least thirty days before being used.

The voids in concrete blocks shall not exceed  $33\frac{1}{3}\%$  of their area and all such blocks shall be laid in cement mortar.

The building inspector may at any time require the manufacturer of concrete blocks or the contractor using them to have tests made at their own expense, of such blocks and of the material used in their composition.

In all buildings in which concrete blocks may be used, the minimum thickness in inches of all independent surrounding and dividing walls of such material shall be not less than specified in the following table:—

	Basement	1st Story	2d Story	3d Story
1 story	12 inches	8 inches	...	...
2 story	12 inches	12 inches	8 inches	...
3 story	12 inches	12 inches	12 inches	8 inches

The height of stories for the thickness of walls given shall not exceed for the first story sixteen (16) feet in the clear; for the second story fourteen (14) feet in the clear; for the third story twelve (12) feet in the clear; and if any story exceeds the foregoing heights, the wall of such story shall be increased four (4) inches in thickness.

No wall or any part thereof built of hollow concrete blocks shall be loaded to exceed ten (10) tons to the square foot of horizontal area, including the weight of the wall, and no block shall be used that shows a crushing strength of less than fifteen hundred (1500) pounds per square inch at the age of thirty (30) days.

Wherever girders or beams rest upon hollow concrete block walls so that there is a concentrated load of over two (2) tons,

the blocks must be made solid on each side and below such beams and girders, to the satisfaction of the building inspector.

The use of wood lintels for supporting concrete blocks over door, window and other openings is prohibited.

Wherever walls are decreased in thickness, the top of course of the thicker wall shall be made solid by filling the voids with Portland cement grout.

Concrete lintels spanning openings more than four (4) feet in width shall be reinforced with iron or steel satisfactory to the building inspector, and shall rest on solid concrete blocks.

ARTICLE 31. Voted unanimously that the town amend the votes passed under Articles 1 and 2 of the special town meeting held on the second day of October, 1913, and under Article 10 of the annual town meeting held on the third and seventeenth days of March, 1913, by inserting the words "or notes" after the word bonds wherever it may occur, by striking out the word "the" after the word "at" and insert in place thereof the word "a" and by striking out the word "of" after the word "rate" and insert in place thereof the words "not exceeding" so that each of the votes will read as follows:—

"Voted unanimously that the town issue its water loan bonds or notes to the amount of twenty thousand dollars (\$20,000), to be dated the first day of September, 1913, to bear interest at a rate not exceeding four and one-half per centum per annum, interest payable semi-annually on the first day of March and September in each year; said bonds or notes to be of the denomination of one thousand dollars (\$1,000), to mature and be payable one thousand dollars (\$1,000) each in the years 1914 to 1933 inclusive; said bonds or notes to be executed and issued under and according to the provisions of chapter 107 of the Acts of 1888, and all subsequent Acts relating thereto.

ARTICLE 32. Motion under this article not carried.

ARTICLE 33. Voted that the selectmen shall cause the valuation list to be printed in the same manner as in the years prior to the report of 1913, and the financial and other reports of town officers and committees to be printed and distributed as soon as possible after the first day of January, 1915, and that the town clerk cause to be printed official copies of the proceedings of this meeting, one of which he shall send to each officer of the town within two weeks after the final adjournment of this meeting, and shall deliver one copy to any voter or taxpayer in the town who may apply for it, and shall furnish copies of the record of each and every town meeting held during the year for printing, so that it may be bound with the annual report of the town officers; and that the head of every department, board or committee authorized to expend money shall at the close of the fiscal year, furnish the town accountant, for incorporation in his annual report, a list of all outstanding liabilities of such board or committee.

Voted to adjourn to Monday evening, March 16, 1914, at 7.30 o'clock.

Adjourned.

Attest: THOMAS SUTTON,

Town Clerk.

# Recount of Votes

MARCH 5, 1914

Pursuant to Section 332 of Chapter 835 of the Acts of 1913, the registrars of voters met in the office of the town clerk on Thursday afternoon, March 5, 1914, at 7.30 o'clock, and acting on the petition of Robert B. Hill and others recounted all the ballots for school committee for three years, cast at the annual town meeting March 2d, and the result was as follows, viz. : —

Robert B. Hill, 11 May street	549
William G. Moseley, 34 Dedham avenue	573
Blanks	59

WILLIAM C. PAYNE,  
COLIN RAE,  
CHARLES M. DONAHUE,  
THOMAS SUTTON,

Registrars of Voters.

# Adjourned Annual Town Meeting

MARCH 16, 1914

Pursuant to adjournment, the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, met in the town hall in said town, on Monday, March 16, A. D., 1914, at thirty minutes past seven o'clock in the afternoon, William G. Moseley, moderator in the chair.

ARTICLE 1. Voted that the report of the finance committee be accepted with thanks, and placed on file.

ARTICLE 5. Voted unanimously, that the town treasurer with the approval of the selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning Jan. 1, 1914, and to issue a note or notes therefor payable within one year: any debt or debts incurred under this vote to be paid from the revenue of said financial year.

ARTICLE 6. The following appropriations were voted under this article, each item being voted on separately, viz:

For the selectmen's department, seven hundred and fifty dollars (\$750).

For the town accountant's department, one thousand dollars (\$1000).

For the treasurer's department, nine hundred dollars (\$900).

For pay of tax collector, fourteen hundred dollars (\$1400).

For the assessors' department, twenty-eight hundred dollars (\$2800).

For the town clerk's department, four hundred and seventy-five dollars (\$475).

For the finance committee, seventy-five dollars (\$75).

For election expenses, six hundred dollars (\$600).

For town hall and grounds, one thousand dollars (\$1000), together with rents received.

For salaries of water commissioners, two hundred and twenty-five dollars (\$225).

For interest on temporary loans, thirty-five hundred dollars (\$3500), together with interest received on bank balances and uncollected taxes.

For police department, four thousand dollars (\$4000).

For salaries of fire department engineers, three hundred dollars (\$300).

For salaries of men and for services in the extinguishment of fires, including charges for horses, three thousand and fifty dollars (\$3050), together with such sums of money as may be received for service rendered to other towns.

For drills in the fire department, three hundred dollars (\$300).

For rent, light, heat, pay of stewards and other incidentals in the fire department, four hundred and twenty-five dollars (\$425).

For repairs and additions to fire apparatus and buildings, five hundred and twenty-five dollars (\$525).

For new hose, seven hundred dollars (\$700).

For hydrant service, three thousand dollars (\$3000).

For fire alarm maintenance, ten hundred and fifty dollars (\$1050).

For the installation of one new fire alarm box, one hundred and fifty dollars (\$150).

For the installation of key guards for all fire alarm boxes, one hundred dollars (\$100).

For outside repairs and line construction in fire alarm service, the same to be done by contract, twelve hundred and seventy-five dollars (\$1275).

For inspection service, one thousand dollars (\$1000).

For enforcement of the liquor law, one hundred dollars (\$100).

For the use of the board of health, six hundred and fifty dollars (\$650).

For the extermination of gypsy and brown-tail moths, thirty-one hundred and ten dollars and forty-six cents (\$3110.46).

For the salary of the forest warden, one hundred dollars (\$100).

For the use of the tree warden, seven hundred dollars, (\$700), and such sums of money as may be received on account of private work.

For schools, forty-nine thousand eight hundred and forty dollars (\$49,840), together with the income of Dwight School Fund and tuition.

For school physicians, three hundred dollars (\$300).

For the public library, fifteen hundred and fifty dollars, (\$1550), together with fines received.

For construction, maintenance and repairs of highways, townways and bridges, sixteen thousand dollars (\$16,000), together with the street railway tax and money received for work done for private individuals.

For the removal of snow, twelve hundred and fifty dollars (\$1,250).

For sidewalks, two thousand dollars (\$2,000), together with sidewalk assessments.

For street lighting, nine thousand dollars (\$9,000).

For the relief and support of the poor, five thousand dollars (\$5,000), together with such sums of money as may be refunded from individuals or from cities and towns.

For soldiers' relief, twelve hundred hundred dollars (\$1,200).

For state and military aid, ten hundred and fifty dollars (\$1,050).

For the use of the park commissions, eight hundred and fifty dollars (\$850).

For Memorial Day, three hundred dollars (\$300).

For unclassified charges, including printing and distribution of town reports, eleven hundred dollars (\$1,100).

For unpaid bills of 1912-13, thirty-one hundred dollars (\$3,100).

ARTICLE 7. Voted, that all poll and personal property taxes shall be payable on demand, and all other taxes on or before the first day of October. Interest at the rate of 6% per annum shall be charged on all taxes not paid on or before the first day of November. The collector shall use the means provided by law for the collection of all taxes remaining unpaid after the first day of December.

(The above shall be printed on the tax bills.)

The collector of taxes shall have the same power which the treasurer would have when acting as collector.

If, in the judgment of the collector, in consequence of removal, or any other circumstance, any tax should be collected before the first of October, he is fully authorized to serve his warrant in the collection of such tax at any

time. The collector shall guarantee the full amount of all taxes legally assessed and committed to him for collection and shall be held to pay the town treasurer the same, with any interest that may accrue thereon (except such sums as may be abated by the assessors) ; he shall pay the said taxes and interest from time to time, as he collects the same, and shall pay the full amount of all taxes committed to him, with the accrued interest, according to statute requirement.

The tax collector shall receive three-fifths of one per cent of the tax warrant for collection of the taxes for the year 1914, payable monthly as and when same are collected, except there shall always be reserved twenty per cent of the amount due him until the total warrant is collected, when the balance shall be paid him ; this compensation shall include all expenses.

ARTICLE 8. Voted that the salaries of town officers shall be the same as in 1913, except that the selectmens' clerk receive one hundred dollars and the town accountant nine hundred dollars.

ARTICLE 9. Voted that the sum of two hundred and fifty dollars (\$250) be appropriated for July 4th, 1914 celebration.

ARTICLE 10. Dismissed.

ARTICLE 11. Voted that the enforcement of the regulations relative to plumbing be under the control of the inspector of buildings.

ARTICLE 12. Voted that this article be referred to the school committee with the request that the committee provide a room properly equipped in one of the school buildings, for the use of an evening school.

# Warrant for Town Meeting

JUNE 16, 1914

*COMMONWEALTH OF MASSACHUSETTS*

---

NORFOLK, SS.

TO GEORGE TWIGG, a Constable of the Town of Needham,  
GREETING :

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall, in said town, on Tuesday, the sixteenth day of June, at eight o'clock in the afternoon, then and there to act upon the following articles, viz. :

Article 1. To see what action the town will take in regard to increasing the pay of men employed in the highway department from two dollars to two dollars and a quarter a day, upon petition of Archibald Wright and others.

Article 2. To see if the town will pass some by-law relative to the trespassing of dogs, or otherwise act thereon, on petition of Arthur H. Handy and others.

Article 3. To see if the town will authorize the selectmen, to buy or lease, or rent a lot of land in the name of the town, for the purpose of procuring a supply of road mak-

ing material; or to lease a lot of land in the name of the town, with an option to buy at a fixed sum, and to appropriate money therefor, or pass any vote or votes relative to the purchase or leasing or renting of land in order to secure road making material, or otherwise act thereon.

Article 4. To see what action the town will take in regard to amending the plumbing laws, or pass any vote or votes relative thereto.

Article 5. To see if the town will vote to sell the present public library building and land at Needham Heights to Mr. William Carter, for the sum of twelve thousand dollars, in accordance with his offer dated May sixteenth, nineteen fourteen, and appropriate the sum of ten thousand dollars, together with eight thousand dollars to be given by Mr. Carter, and the twelve thousand dollars to be received from the sale of the present library building and land, amounting in all to thirty thousand dollars, for the purpose of erecting a new public library building on the site to be given by Mr. Carter on Highland avenue opposite the new Christ Episcopal church, and to take such further action as may be necessary to carry this vote into effect.

Article 6. To see if the town will appropriate money in anticipation of the moneys to be received from the state on account of highway construction and street railway tax, or pass any vote or votes relative thereto.

Article 7. To see what action the town will take to appropriate money in anticipation of the receipt of betterment and gypsy moth charges, or pass any vote or votes relative thereto.

Article 8. To appropriate or raise by borrowing or otherwise such sums as may be necessary for any or all purposes mentioned in the foregoing articles.

And you are hereby directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town, at least seven days before the time of said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, unto our town clerk on or before said day and hour.

Given under our hands at Needham aforesaid, this fourth day of June, A. D. 1914.

[SEAL]

JAMES M. McCracken,  
SAMUEL H. WRAGG,  
DAVID MURDOCH,

Selectmen of Needham.

## Officer's Return

---

NORFOLK, SS.

NEEDHAM, June 8, 1914.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said town, seven days at least before the time of holding said meeting.

GEORGE TWIGG,

Constable of Needham.

---

A true copy of warrant and officer's return.

THOMAS SUTTON,

Town Clerk.

# Record of Town Meeting

JUNE 16, 1914

---

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Tuesday, the sixteenth day of June, in the year one thousand nine hundred and fourteen, at eight o'clock in the afternoon.

The meeting was called to order by the moderator.

The clerk read the warrant and the return of the officer who notified and warned the inhabitants.

Article 1. Voted that the pay of all town laborers be two dollars and twenty-five cents per day of eight hours.

Article 2. Dismissed.

Article 3. Voted that the subject matter of this article be referred to the selectmen.

Article 4. Voted that the subject of amending or revising the by-laws of the town in regard to plumbing, be referred to a committee of three, to be composed of the inspector of buildings and the two inspectors of plumbing, for consideration; this committee to advertise and hold at least one public hearing on the subject, and report with their recommendations thereon at the next annual town meeting.

Article 5. Voted that the town sell the present public library building and land at Needham Heights to Mr.

William Carter, for the sum of twelve thousand dollars, in accordance with his offer dated May sixteenth, nineteen fourteen, and appropriate the sum of ten thousand dollars, together with eight thousand dollars to be given by Mr. Carter, and the twelve thousand dollars to be received from the sale of the present library building and land, amounting in all to thirty thousand dollars for the purpose of erecting a new public library building on the site to be given by Mr. Carter on Highland avenue opposite the new Christ Episcopal Church.

Voted that a building committee to consist of five, of whom Mr. William Carter shall be one, be appointed, who shall first procure plans and specifications to be submitted to the town for its adoption at a meeting to be called for that purpose. The following persons were nominated and elected to serve, viz. :—Emery Grover, Alfred Parker, \*George K. Clarke and Edgar H. Bowers.

Voted that the town treasurer be authorized and empowered to execute and deliver to Mr. William Carter, with the approval of the selectmen, a deed of the library building and land at Needham Heights, upon receipt of twelve thousand dollars.

Voted unanimously that the town treasurer be and hereby is authorized and directed to issue the negotiable bonds or notes of the town in the aggregate principal sum of ten thousand dollars, said bonds or notes to be dated September 1, 1914, payable five hundred dollars thereof on the first day of September in each of the years 1915 to 1934 inclusive, bearing interest at the rate of four per cent. per annum, payable semi-annually on the first day of March and September of each year. Said bonds to be denominated "Needham Public Library Loan." They

---

\*Resigned.

shall be signed by the treasurer and countersigned by a majority of the selectmen of the town. The treasurer shall sell said bonds and the proceeds thereof shall be used solely to pay the appropriation voted by the town for the construction of the public library building on the corner of Highland avenue and Rosemary street.

Voted unanimously that the town treasurer be and hereby is authorized, with the approval of a majority of the selectmen, to borrow on temporary loan such sums of money as may be necessary in anticipation of issuing its public library building bonds, the same to be paid therefrom.

#### VOTE OF THANKS

A unanimous vote of thanks was extended to Mr. William Carter for his generous and magnanimous offer which has just been accepted by the town.

Article 6. Voted that the sum of three thousand dollars be appropriated for highway construction and that the treasurer be authorized to borrow this amount (\$3000) as provided in Sec. 4, Chap. 719, Acts of 1913, in anticipation of the amount which the state is to reimburse the town on account of highway construction.

Article 7. Voted that the sum of two thousand dollars (\$2000) be appropriated for the suppression of gypsy and brown tail moths on private estates.

Voted that the sum of one thousand dollars be appropriated for new sidewalk construction, same to be raised by issuing notes in accordance with the provisions of Sec. 14, Chap. 719, Acts of 1913, said notes to be paid with money received from the assessment of betterment tax.

At 10.45 P.M. voted that this meeting be dissolved.

Dissolved.

## Destruction of Ballots

---

NORFOLK, SS.

NEEDHAM, July 29, 1914.

The ballots cast at general state election Nov. 4, 1913, and those cast at the annual town meeting for the election of town officers March 2, 1914, were this day destroyed as required by sec. 306 of chapter 835 of the acts of 1913.

Attest:

THOMAS SUTTON,  
Town Clerk.

# Warrant for State Primary

SEPTEMBER 22, 1914

---

## *COMMONWEALTH OF MASSACHUSETTS*

NORFOLK, SS.

To John W. Crisp, a Constable of the Town of Needham,

GREETING :

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of the Town of Needham, who are qualified to vote in primaries, to meet at the town hall, in said town, on Tuesday, the twenty-second day of September, 1914, at four o'clock p. m., for the following purposes :

To bring in their votes to the primary officers for the nomination of candidates of political parties for the following officers :

Governor for this Commonwealth, lieutenant-governor for this Commonwealth, secretary of the Commonwealth for this Commonwealth, treasurer and receiver general for this Commonwealth, auditor of the Commonwealth for this Commonwealth, attorney general for this Commonwealth, representative in Congress for the thirteenth congressional district, councillor for second councillor district, senator for second Norfolk senatorial district, representa-

tive in general court for first Norfolk representative district, county commissioner for Norfolk county.

And for the election of the following officers: District member of state committee for each political party for the second Norfolk senatorial district, members of town committee for this town, delegates to state conventions of political parties.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from four to eight p. m.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town, at least seven days before the time of said meeting.

Hereof fail not and make return of this warrant, with your doings thereon, at the time and place of said meeting.

Given under our hands this ninth day of September, A. D. 1914.

[SEAL]

JAMES M. McCracken,

Selectmen of Needham.

## Officer's Return

---

NORFOLK, SS.

NEEDHAM, Sept. 14, 1914.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, more than seven days before the time of holding said meeting.

JOHN W. CRISP,

Constable of Needham.

---

A true copy of warrant and officer's return.

THOMAS SUTTON,

Town Clerk.

# Record of State Primary

*Under Chapter 835 of the Acts of 1913*

SEPTEMBER 22, 1914

---

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town on Tuesday, the twenty-second day of September, in the year one thousand nine hundred and fourteen, at four o'clock in the afternoon, for the purpose of nominating state and county officers, and to elect members of the state and town committees and delegates to the state convention.

The meeting was called to order by James M. McCracken, chairman of the board of selectmen.

Voted to omit reading the warrant.

The selectmen having previously appointed Clyde E. Cookson, James E. Tisdale, Henry Godfrey Jr. and Wallace G. Rae as ballot clerks, they were severally sworn by the town clerk.

The package of ballots received from the secretary of the Commonwealth, containing 700 ballots marked democratic, 700 ballots marked progressive, and 1000 ballots marked republican, were delivered to the presiding officer and his receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

Tellers were appointed by the selectmen and sworn by the presiding officer, viz: William P. Leonard, Henry G. Moeller, David J. Munn and Theodore McIntosh. Additional tellers were appointed by the selectmen and sworn by the town clerk, viz: Earl A. Carvill, Leonard Dawson, Charles W. Jones and William A. Reed.

The ballot box was publicly opened and shown to be empty, then locked and the key given to John W. Crisp, the officer in attendance at the polls. The polls were opened for the reception of ballots at four minutes past four o'clock in the afternoon and in pursuance with the warrant were kept open until eight o'clock in the evening. As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as four hundred and forty-six, which agreed with the number of names checked by the ballot clerks.

Thirty ballots marked Democrat, thirty-seven ballots marked Progressive, and three hundred and seventy-nine marked Republican were duly sorted and counted separately and public announcement thereof was made by the presiding officer in open meeting, and was as follows, viz:

# Warrant for State Election

NOVEMBER 3, 1914

---

## *COMMONWEALTH OF MASSACHUSETTS*

NORFOLK, SS.

To George Twigg, a Constable of the Town of Needham, in said County, GREETING :

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town, on Tuesday, the third day of November next, at five forty-five in the forenoon, then and there to give in their votes for the following State and County officers, viz. :

Governor ; Lieutenant-Governor ; Secretary ; Treasurer ; Auditor ; Attorney General ; Congressman ; Councillor ; Senator ; Representative to the General Court ; County Commissioner, and to vote on the following questions, to wit :

Acceptance of Chap. 217, Acts of 1914, entitled "An act relative to vacations of laborers employed by cities and towns."

Acceptance of Chap. 688, Acts of 1914, entitled "An act to make Saturday a half holiday for laborers, work-

men and mechanics employed by or on behalf of the Commonwealth and otherwise to regulate their employment."

Acceptance of Chap. 790, acts of 1914, entitled "An act to abolish the enrolment of members of political parties and to limit the membership of ward and town committees."

The polls will close at 8 P. M.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places, in said town, at least seven days before the time of said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon, unto ourselves, on or before said day and hour.

Given under our hands at Needham aforesaid this twenty-first day of October, A. D. nineteen hundred and fourteen.

Selectmen of Needham.

## Officer's Return

NORFOLK, SS.

NEEDHAM, October 24, 1914.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town more than seven days before the time of holding said meeting.

GEORGE TWIGG,

Constable of Needham.

---

A true copy of warrant and officer's return.

Attest :

THOMAS SUTTON,

Town Clerk.

# Record of State Election

NOVEMBER 3, 1914

---

In pursuance of the foregoing warrant the inhabitants of the town of Needham, qualified to vote in state elections, met in the town hall on Tuesday, the third day of November, in the year one thousand nine hundred and fourteen, at five forty-five o'clock in the forenoon, and were called to order by James M. McCracken, chairman of the board of selectmen.

Voted to omit reading the warrant.

The selectmen having appointed William Septimus Cassidy, Dana L. Southworth, George W. Slaney, Daniel L. Falvey, Lucian W. Burnham and William P. Leonard, as ballot clerks, they were severally sworn by the town clerk.

The package containing the ballots received from the secretary of the Commonwealth, was then delivered to the presiding officer and his receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

The ballot box was publicly opened and shown to be empty, then locked and the key given to George Twigg, officer in attendance at the polls.

The polls were opened for the reception of ballots at

forty-nine minutes past five in the forenoon and were kept open until eight o'clock in the afternoon.

Tellers were appointed by the selectmen and sworn by the town clerk, as follows:—J. Percy Chambers, James E. Tisdale, Lewellyn W. Stevens, George A. Krautler, James Ford and Charles I. Ruggles.

At the opening of the polls the ballot box register stood at 000.

At the close of the polls the ballot box register stood at 1046. As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as ten hundred and forty-four, which agreed with the number of names checked on the list of voters kept by the ballot clerks.

A canvas of all the votes given in was made by the election officers, as required by Section 301, Chapter 835 of the Acts of 1913, the blank forms furnished by the secretary of the Commonwealth being used.

Upon completion of the canvass of all votes cast, the whole number being duly sorted, counted and recorded, public announcement thereof was made by the chairman of the selectmen, in open meeting, and was as follows, viz. :—

#### For Governor.

Alfred H. Evans of Hadley, Prohibition, nine.

Samuel W. McCall of Winchester, Republican, six hundred and thirty-seven.

Arthur E. Reimer of Boston, Socialist Labor, none.

Samuel C. Roberts of Springfield, Socialist, eight.

Joseph Walker of Brookline, Progressive Party, one hundred and ten.

David I. Walsh of Fitchburg, Democratic, two hundred

and sixty-five.  
Blanks, fifteen.

For Lieutenant-Governor.

Edward P. Barry of Boston, Democratic, two hundred and twenty-four.

Grafton D. Cushing of Boston, Republican, six hundred and sixty-six.

Arthur Howard of Salem, Prohibition, fourteen.

James P. Magenis of Boston, Progressive Party, ninety-three.

Sylvester J. McBride of Watertown, Socialist, nine.

Patrick Mulligan of Boston, Socialist Labor, one.

Blanks, thirty-seven.

For Secretary.

Percy B. Ball of North Attleborough, Socialist, twelve.

Frank J. Donuhue of Boston, Democratic, three hundred and sixty-six.

James W. Holden of New Bedford, Socialist Labor, none.

Albert P. Langtry of Springfield, Republican, five hundred and forty-eight.

William G. Merrill of Malden, Prohibition, eight.

Russell A. Wood of Cambridge, Progressive Party, ninety-one.

Blanks, nineteen.

For Treasurer.

Charles L. Burrill of Boston, Republican, six hundred and thirty-seven.

Joseph M. Coldwell of Milford, Socialist, 14.

Frederick Fosdick of Fitchburg, Progressive Party, one

hundred and nine.

Thomas A. Frissell of Hinsdale, Prohibition, nine.

Karl Lindstrand of Lynn, Socialist Labor, one.

Frederick W. Mansfield of Boston, Democratic, two hundred and thirty-six.

Blanks, thirty-eight.

#### For Auditor.

Alonzo B. Cook of Boston, Republican, six hundred and three.

Daniel R. Donovan of Springfield, Socialist, fourteen.

John Drysdale of North Adams, Prohibition, eight.

Frederick P. Glazier of Hudson, Progressive Party, one hundred and six.

Fred E. Oelcher of Peabody, Socialist Labor, one.

Frank H. Pope of Leominster, Democratic, two hundred and forty-two.

Blanks, seventy.

#### For Attorney-General.

Henry C. Attwill of Lynn, Republican, six hundred and thirty-six.

Thomas J. Boynton of Everett, Democratic, two hundred and seven.

John Hildreth of Holyoke, Progressive Party, one hundred and seven.

Howard B. Rand of Haverhill, Prohibition, ten.

John Weaver Sherman of Boston, Socialist, fifteen.

William Taylor of Worcester, Socialist Labor, one.

Blanks, 68.

#### For Congressman. (Thirteenth District)

William H. Carter of Needham, Republican, six hun-

dred and fifty-seven.

John J. Mitchell of Marlborough, Democratic, three hundred and nine.

John Fogg Twombly of Brookline, Progressive Party, fifty-nine.

Blanks, nineteen.

For Councillor.

(Second District)

Frederick H. Bishop of Quincy, Progressive Party, one hundred and twenty-six.

Charles W. Guy of Quincy, Democratic, one hundred and ninety-seven.

Guy Andrews Ham of Milton, Republican, six hundred and thirty-six.

Blanks, eighty-five.

For Senator.

(Second Norfolk District)

C. Edson Abbott of Franklin, Progressive Party, Democratic, two hundred and seventy-four.

Orion T. Mason of Medway, Republican, six hundred and seventy-seven.

Blanks, ninety-three.

For Representative in General Court.

(First Norfolk District)

Harry I. Cummings of Dedham, Progressive Party, two hundred and fifteen.

James S. Delaney of Dedham, Democratic, two hundred and five.

Charles E. Stanwood of Needham, Republican, five hundred and eighty-two.

Blanks, forty-two.

For County Commissioner.

(Norfolk County)

John F. Merrill of Quincy, Republican, seven hundred and twelve.

William J. Sullivan of Quincy, Democratic, two hundred and fifteen.

Blanks, 117.

Upon the following questions, the result was as follows, viz. :—

Shall an act passed by the general court in the year nineteen hundred and fourteen, entitled “An Act relative to vacations of laborers employed by cities and towns,” be accepted?

Yes :—four hundred and forty-eight.

No :—three hundred and thirteen.

Blanks :—two hundred and eighty-three.

---

“Shall an act passed by the general court in the year nineteen hundred and fourteen to make Saturday a half-holiday, without loss of pay, for laborers, workmen and mechanics employed by or on behalf of the commonwealth and otherwise to regulate their employment, be accepted?”

Yes :—five hundred and thirty.

No :—two hundred and sixty-three.

Blanks :—two hundred and fifty-one.

---

“Shall the act passed by the general court in the year nineteen hundred and fourteen, providing for the abolition

of party enrollment at primary elections, be accepted ? ”

Yes : — five hundred and ninety four.

No : — One hundred and sixty-six.

Blanks : — two hundred and eighty-four.

The business of the evening being completed, all the ballots cast, the undistributed ballots, and also the check list of voters were sealed up and endorsed by the election officers, and placed in the custody of the town clerk.

The returns of the votes were signed by the selectmen, attested by the town clerk, and sealed up in open town meeting and delivered to the town clerk.

At ten fifty-five o'clock in the afternoon, voted that this meeting be dissolved.

Dissolved.

## *COMMONWEALTH OF MASSACHUSETTS*

NORFOLK, SS.

Pursuant to section 322 of Chapter 835 of the Acts of 1913, the clerks of the towns of Dedham and Needham, comprising the Norfolk Representative District Number One, at their meeting in Memorial Hall in said Dedham, on Friday, the thirteenth day of November, A. D. 1914, made out the following schedule of the names of all persons for whom votes for Representative in the General Court were cast in said district, and the number of votes for each, as follows, viz :

Harry I. Cummings, of Dedham, had	681
James S. Delaney, of Dedham, had	891
Charles E. Stanwood, of Needham, had	1052

DON GLEASON HILL, JR.

Town Clerk of Dedham.

THOMAS SUTTON,

Town Clerk of Needham.

NORFOLK SS.

NEEDHAM, Nov. 17, 1914.

This is to certify that I have this day served certificate of election on Charles E. Stanwood by leaving said certificate at his last and usual place of abode, Hillside Avenue, Needham Heights.

GEORGE TWIGG,

Constable of Needham.

#### NOTICE

The attention of parents is called to the law relating to the registering of births. The present requirements are as follows :

Chap. 29, Sec. 6, of the Revised Laws. Parents, within forty days after the birth of a child \* \* \* \* shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Sec. 8. A parent \* \* \* \* who neglects so to do for ten days after the time limited therefor, \* \* \* \* shall forfeit not more than five dollars for each offence.

Attention of physicians and midwives is called to Chapter 280, Sec. 1, Acts of 1912.

SECTION 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they were in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offence.

In accordance with the provisions of the law, the town clerk is prepared to furnish to parents, physicians and midwives applying therefor, blanks for return of births as required by law.

## MARRIAGES

---

Number of marriages registered, 74.

## NOTICE

Persons who intend to be joined in marriage in this Commonwealth, shall, not less than five days before their marriage, cause notice of their intention to be entered in the office of the clerk of registrars of the city or town in which they respectively dwell, or if they do not dwell within the Commonwealth, in the office of the clerk or registrar of the city or town in which they propose to have the marriage solemnized.

CHAPTER 151, SECTION 29, *Revised Laws of Mass.*  
If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the city or town in which either of them lived at the time of their marriage a certificate or declaration of their marriage, including the facts relative to marriage, which are required by law, and for neglect thereof shall forfeit ten dollars.

NEEDHAM  
The Chronicle Press  
1915

## SCHOOL COMMITTEE.

Horace A. Carter, Chairman .....Term expires, 1915  
Mrs. Mary C. Whitney .....Term expires, 1916  
William G. Moseley .....Term expires, 1917

---

## SUPERINTENDENT OF SCHOOLS.

A. H. Keyes, Ph. D.

Office hours of the superintendent every school day  
from 4.30 to 5.30 p. m. in Committee Rooms in the Ingols  
Block.

---

## SCHOOL CALENDAR.

	Opens	Closes
Winter term .....	December 28, 1914,	March 26, 1915
Spring term, Elementary schools	April 12, '15,	June 25, '15
Spring term, High school ....	April 5, 1915,	June 25, 1915
Fall term .....	September 7, 1915,	December 22, 1915

---

## HOLIDAYS.

February 22, April 19, May 31, June 17, October 12,  
November 24 (afternoon only), November 25 and 26,

# FINANCIAL REPORT OF THE SCHOOL COMMITTEE.

For the Year 1914.

## Salaries.

### High School Teachers.

Fred W. Hutchinson, teaching 10 months .....	\$2,060.00
Frank P. Bunker, teaching 10 months .....	1,340.00
Lilyan H. Lake, teaching 6 months .....	640.00
Mary B. Losey, teaching 4 months .....	300.00
Louise Adams, teaching 6 months and 3 weeks ..	658.50
Marie Merrill, teaching 3 months and one week	243.75
Ellen Stevenson, teaching 6 months .....	576.00
Gertrude Karnan, teaching 4 months .....	268.00
Abby F. Burns, teaching 10 months .....	876.00
Constance E. Burrage, teaching 6 months ....	576.00
Lucy F. Crocker, teaching 4 months .....	400.00
M. Leslie Weatherston, teaching 6 months ....	400.00
Celia Marshall, teaching 4 months .....	250.00
	<hr/>
	\$8,428.25

### Kimball School Teachers.

Harriette M. Cole, teaching 10 months .....	\$ 920.00
Laura M. Campbell, teaching 10 months .....	712.00
Ethel M. Dodge, teaching 10 months .....	712.00
Ethel L. Buckley, teaching 10 months .....	712.00
E. Ethel Swazey, teaching 10 months .....	712.00
Ruth E. Holland, teaching 6 months .....	400.00
Mabel H. Shaw, teaching 4 months .....	184.00
Florence E. Eaton, teaching 10 months .....	712.00
Hermia A. Riley, teaching 10 months .....	664.00
Laura E. Stoughton, teaching 10 months .....	616.00
Lilian H. Totman, teaching 10 months .....	664.00
	<hr/>
	\$7,008.00

### Avery School Teachers.

Valentine F. Dunn, teaching 10 months .....	\$ 932.00
Una M. Kimball, teaching 10 months .....	712.00
Anna K. Sheriden, teaching 10 months .....	712.00
Luella Eaton, teaching 10 months .....	712.00
Isabel S. Kingsbury, teaching 10 months .....	712.00
Etta G. McDonald, teaching 10 months .....	664.00
Ruth A. Webb, teaching 10 months .....	664.00
Bertha M. Ainsworth, teaching 10 months .....	664.00
Elizabeth A. Lester, teaching 10 months .....	712.00
Harriette N. Boyd, teaching 10 months .....	712.00
	<hr/>
	\$7,196.00

### Eliot School Teachers.

Alice H. Eberhardt, teaching 10 months .....	\$ 748.00
Mary E. Mackenzie, teaching 10 months .....	584.00
Maude L. Parker, teaching 10 months .....	664.00
Katherine Dempsey, teaching 10 months .....	664.00
	<hr/>
	\$2,660.00

### Dwight School Teachers.

Frances M. Kingsbury, teaching 10 months ....	\$ 748.00
Adelaide A. Swazey, teaching 10 months .....	664.00
Ella L. Adams, teaching 10 months .....	530.00
	<hr/>
	\$1,942.00

### Harris School Teachers.

Mary E. Glancy, teaching 10 months .....	\$ 748.00
Dorothy H. Allen, teaching 10 months .....	520.00
	<hr/>
	\$1,268.00

### Parker School Teacher.

Edith M. McCann, teaching 10 months .....	\$640.00
---	----------

### Riverside School Teacher.

Marie L. Wiczorek, teaching 10 months .....	\$424.00
---	----------

### Special Teachers.

Florence L. Bean, Supervisor of Drawing .....	\$ 852.00
Ellen H. Bartlett, Supervisor of Music .....	976.00
	<hr/>
	\$1,828.00

### Janitors.

Michael H. Fitzgerald, High school .....	\$ 604.00
George L. Kennedy, Avery schools .....	800.00
W. H. Stanton, Kimball school .....	648.00
Edward Dailey, Eliot and Dwight schools .....	660.00
John Newbury, Harris school .....	168.00
James W. Cahill, Parker school .....	100.00
Saco-Lowell Shops, Riverside school .....	188.00
Peter Krautler, Stephen Palmer school .....	8.00
	<hr/>
	\$3,176.00

### School Physicians.

Dr. A. M. Miller .....	\$ 150.00
Dr. William Mitchell .....	150.00
	<hr/>
	\$300.00

### Attendance Officer.

A. J. Mathey .....	\$200.00
--------------------	----------

### Census Enumerator.

Norman Dawson .....	\$45.00
---------------------	---------

### Superintendent of Schools.

A. H. Keyes .....	\$2,400.00
-------------------	------------

### Summary of Salaries.

High school teachers .....	\$ 8,428.25
Elementary school teachers .....	21,138.00
Special teachers .....	1,828.00
Janitors .....	3,176.00
School Physicians .....	300.00
Attendance officer .....	200.00
Census enumerator .....	45.00
Superintendent of schools .....	2,400.00
	<hr/>
	\$37,515.25

## Books and Supplies.

### Books—High School.

Edward E. Babb & Co. ....	\$338.75
Adams Express .....	.72
Ginn & Co. ....	2.60
American Book Co. ....	4.48
A. N. Palmer Co. ....	1.00
F. J. Barnard Co. ....	3.32
	<hr/>
	\$350.87

### Books—Elementary Schools.

Edward E. Babb & Co. ....	\$ 332.44
J. L. Hammett Co. ....	223.53
George W. Southworth .....	160.17
American Book Co. ....	161.20
Maugus Printing Co. ....	352.25
Chas. E. Merrill Co. ....	94.43
Benj. H. Sanborn & Co. ....	136.50
Bailey's Auto Express .....	4.55
D. C. Heath & Co. ....	1.54
Alger E. Eaton .....	.75
Adams Express .....	2.23
Funk & Wagnalls Co. ....	18.00
A. N. Palmer Co. ....	12.44
City of Dover .....	31.75
F. J. Barnard Co. ....	13.79
Chas. A. Harris .....	.95
	<hr/>
	\$1,546.52

### Supplies—High School.

Edward E. Babb & Co. ....	\$299.41
L. E. Knott Apparatus Co. ....	467.48
Bailey's Auto Express .....	12.20
Adams Brothers .....	8.82
Middleton, Carman & Co. ....	3.60

## Report of the Superintendent

---

To the School Committee of Needham:—

I beg leave to submit to you my fourth annual report of the public schools.

In the financial report is shown the cost of each department of our work as well as the cost of the whole, the cost of the high school, and the cost of the elementary schools, and also the cost per pupil in both high school and elementary schools. In the statistics of attendance and of promotion there is still more careful consideration of the individual pupil. These statistics show the record of every child that has been in our schools during the year. There is a record for the entire year and a record for each term; there is a record of all promotions and of all non-promotions and of all pupils "on trial" in their respective grades; there is a record of all pupils that have left our schools during the school year and the reasons for their leaving; there is a record of all the pupils that have left the school system during the summer vacation and the reasons therefor; there is a record of over-age children, normal-age, and under-age children, and the reasons for

over age, and under age; and there is also the customary general summary.

In average attendance in one year we have gained one hundred thirteen pupils; (there were 968 pupils in the school year 1912-13 and 1081 pupils in the school year 1913-14). In percent of attendance we have gained one in the last year: (94.67% in 1912-13, and 95.67% in 1913-14. The number of cases of tardiness have been reduced 148 in one year, (1410 cases in 1912-13 and 1262 cases in 1913-14). I have inserted in this report a record of the dismissals. The number of cases is not large, but this number will be reduced as the parent's and teacher's attention is called to it. The roll of honor of all pupils not absent or tardy during the year for the last four years is given in the following table:—

Number of pupils on the roll of honor in	1910-11	..	22
“ “ “ “ “ “ “ “ “	1911-12	..	45
“ “ “ “ “ “ “ “ “	1912-13	..	75
“ “ “ “ “ “ “ “ “	1913-14	..	129

In the table of promotions there are 7 double promotions, 956 single promotions, 90 on trial, and 60 not promoted, making a total of 1113 pupils in our schools at the end of the school year. A little over 5% of the total number of pupils were not promoted; in 1912-13 it was about 7%, and in 1911-12 it was about 6%. Five percent of the total number is a low minimum for non-promotions we find by investigation. By comparing the ages of the children last year with those of this year we find that there is an increase in under-age children from 40 to 44, normal-age children from 913 to 922, and over-age children from 214 to 242. The increase in over-age children is more than the increase in the other two divisions. This is due to a better grading and to non-promotions and to the presence of foreign born children who have attended American schools but a few years and have had but little opportunity for an education in their native

country. We expect to keep the number of over-age children about 20% of the total number. In the record of pupils leaving school during the school year we find 18 went to work, 21 were sick, and 86 left town; during the summer vacation 21 left town, 42 went to work, and 19 went to more advanced schools, these numbers include the graduates of the high school.

The number of cases of corporal punishment in the grades is steadily decreasing; in the school year of 1911-12 there were 109 cases, in the year 1912-13 there were 87 cases, and in the year 1913-14, 78 cases. These cases must be reduced still more until they become the rare exception in the discipline of our schools.

There has been a strong advancement in the scholarship of the pupils. I have given examinations in nearly every subject in the grades since the Spring of 1912 and the records have been kept for all these examinations. Two examinations per year have been given in each subject except reading. The following is a tabulated record of the examinations:

SUBJECTS	AVERAGE PER CENT.					
	Spring 1912	Fall 1912	Spring 1913	Fall 1913	Spring 1914	Fall 1914
Arithmetic .....	37	72	73	78	81	....
Spelling.....	65	81	81	89	89	94
Geography.....	....	64	71	72	76	79
Physiology.....	....	82	81	90	84	88
History .....	....	65	65	72	73	79
Civics.....	....	57	82	83	80	79
Language.....	....	82	74	84	81	....
Reading.....	....	....	73	....	79	....

The record of the Palmer method penmanship is as follows:—The system was adopted in January, 1912. The children took great interest in the system and in six months fifty-one pupils won the Palmer diploma for professional penmanship, the next school year of 1912-13 one hundred eleven pupils won this diploma, and the last school year seventy-nine pupils received this diploma. Every pupil in the graduating class of thirty in the Avery school last June secured this diploma before graduating. The normal number to win this diploma is the number in the graduating class of the grammar school; this number will average about seventy per year. This Fall term the Palmer graduates have written the census cards required by the new state law and have done an excellent piece of work.

At the close of the last school year 366 pupils in the grades received the certificate of proficiency in arithmetic granted by the committee and 369 pupils received the certificate of proficiency in spelling.

In the two examinations given in all of the subjects taught last school year in the high school the averages were 81% and 77%.

It is the desire of the teachers and the superintendent to give each and every child the very best instruction, the heartiest sympathy and encouragement, and the most persistent watchcare. We want to leave no stone unturned that affects in any way the advancement of the children. We want the parents to feel our personal interest in their children, we want them to feel, when we seem over-anxious about the attendance and scholarship of their children, that we desire every child to make the most of his opportunities and to develop all the faculties his Maker has granted him and to become as strong and efficient as body, intellect and spirit will permit. We want the advice of the parents oftentimes and we need their co-operation and support at all times. Let the parents visit the schools many times

during the year. They need not make prolonged visits if their time does not permit, but long enough to permit parent and teacher to exchange views in regard to the child and to become better acquainted. We have an excellent corps of teachers and it goes without saying that we have parents of good judgment who are deeply concerned in the education of their children. Our schools will draw near to the ideal, when parents and teachers become better acquainted and realize the strong interest of each in the advancement of the children.

The change in the teaching force has not been large this year but rather too large for the good of the schools, especially the high school. Miss Harriet B. Thompson, teacher of the first and second grades in the Dwight school, resigned at the end of the Fall term of 1913 and Miss Ella L. Adams was elected her successor. There were no further changes until the end of the school year, when the following teachers declined re-election:—

Miss Lilyan H. Lake, teacher of English in the High school.

Miss E. Leslie Weatherstone, teacher of arithmetic and English in the High school.

Miss Constance E. Burrage, teacher of history in the High school.

Miss Ellen Stevenson, teacher of modern languages in the High school.

Miss Ruth E. Holland, teacher of grade IV, Kimball school.

To fill these vacant positions the following teachers have been elected:

Mrs. Mary B. Losey, teacher of English, High school.

Miss Celia Marshall, teacher of English and arithmetic, High school.

Miss Lucy F. Crocker, teacher of history and German, High school,

Miss Gertrude Karnan, teacher of modern languages, High school.

Miss Mabel H. Shaw, teacher of grade IV, Kimball school.

At the opening of the Fall term after teaching three weeks Miss Louise Adams, teacher of Latin in the High school, resigned and went to the Boston schools. Miss Marie Merrill served as substitute until the end of the Fall term, and was then elected as teacher in this position.

These teachers have entered upon their work with interest, perseverance and enthusiasm. While we regret the many changes in the teaching force of the High school, we believe that we have now a corps of teachers in that school that will make greater advancement in scholarship and discipline than the record of previous years, and we hope that these teachers will be retained for many years of good service. All of the teachers in both elementary schools and High school are working faithfully to secure the best results; it has never been my good fortune to be associated with a more conscientious corps of teachers than we now have. Under such a corps the schools must of necessity move on to greater efficiency.

The machinery for the new retirement system for teachers in this state went into action this Fall. Under the provisions of the law governing this system a teacher who has been teaching in this state prior to July 1, 1914 may of her own free will join the association; any teacher who commences work in this state after this date must of necessity become a member of the association and pay her monthly assessments. Only two of our teachers had not taught in the public schools of this state prior to this year and were compelled to join the association. Of the forty other teachers in our school system sixteen joined the association of their own free will, believing that the system is a safe investment for their assessments and that the state

through its generosity will safeguard them at the time of their retirement from school work. The assessments are paid monthly for the ten months of the school year. In accordance with the law no teacher pays less than \$35 or more than \$100 per year in assessments. The assessments are fixed at 5 percent of the teacher's salary for the year commencing July 1, 1914. These assessments are deducted from the teacher's salary and are sent by the town treasurer to the secretary of the Retirement Board in Boston.

The method of taking the school census has been changed this year by state law. Under the former system the record of the census was kept in a book; this year the record has been taken on cards and then transferred to office cards. In the record of the child made by the census enumerator this year the following data has been secured:—the name of the child, the sex, the date of birth, the place of birth, defects if any, the name of the parent or guardian, the place of birth of parent or guardian, the date of the record, the residence of the child, the school last attended by the child, the total days attendance of the child the last school year, the age of the child September 1st. At the first enumeration this will be the record of each child; each year thereafter the following data will be given:—date of record, residence of the child, school last attended, total days of attendance, age September 1st. When the child leaves school to go to work, the date of the employment certificate is entered upon the office card. This card will give quite complete information about the child and together with the office scholarship cards will form an invaluable record. In our report to the state we must give the number of children between 5 and 7 years of age, the number between 7 and 14 years of age, the number between 14 and 16 years of age, and the number of illiterates between 16 and 21 years of age. It is the purpose of the new system to keep in close touch with each and every child in

the commonwealth, to make the school attendance as perfect as possible, and to know where the child is if he is not in school.

The "No School Signal" was adopted by the school committee at their regular meeting last June; it went into effect at the opening of this school year. The signal is 2-2 given by the fire alarm four times. It is to be rung when the travelling is very bad and in very stormy weather; it is the desire of the school committee that it be rung only at such times as it will be best for the children to remain in their homes and hazardous to their health to go to school. During the Fall term it was not rung at all.

The school savings system was adopted by the committee at their meeting in June. Mrs. Whitney of the school committee spent considerable time in study of the systems in various places and outlined a plan similar to the plan used in Dedham. The co-operation of the Needham Trust Co. was secured, and the Savings Department of this institution receives the deposits of the children and places them on interest after \$3 is deposited by the child. He receives then a pass book from the bank and credit is given to him upon the pass book for every even dollar he deposits thereafter. The sums less than \$3 and all fractional parts of a dollar are credited to the superintendent as trustee for the children. The system of collection is as follows:—Two high school pupils from the commercial department visit each school once a week and receive the money collected from the children by the teacher. The teacher receives from the children their voluntary deposits and enters the amounts on the children's cards and on duplicate cards of her own. This work is done on Monday; on Tuesday the money with the teacher's record of the collections are turned over to the high school pupils. These pupils see that the entries are correct and agree upon the duplicate cards, they see that the sum of the entries is the

same as the amount in the teacher's envelope, they prepare the deposit ticket for the bank showing how the money is to be credited, whether to the child or to the superintendent, they take the money to the bank with their deposit tickets, and they put up the silver in rolls after the bank officials have checked their work and made the credits suggested. A report of the collections in each school is sent to the superintendent and to Mrs. Whitney each week. Each child that has deposited \$3 or more checks his own book and sees that he receives credit upon his pass book for all even dollars deposited. At the end of the Fall term a sum of all balances not entered upon the pass books of the children was taken and found to agree with the amount credited to the superintendent as trustee for the children. It is expected that the system will have good effect in teaching children the habit of saving and of systematic saving. The record in detail of the system for the twelve weeks of the Fall term is as follows:—

The total amount deposited for the twelve weeks ..	\$1,408.51
The average amount per week .....	117.38
The total number of depositors .....	725
The smallest amount deposited at the end of twelve weeks .....	.01
The largest amount deposited at the end of twelve weeks .....	32.00
The average amount deposited at the end of twelve weeks .....	1.94
The number of pass books issued by the bank for a deposit of \$3 or more .....	154
The total amount credited on these pass books ..	\$765.30
The smallest amount on any pass book .....	3.00
The largest amount on any pass book .....	32.00
The average amount on the pass books .....	4.97
The amount credited to the superintendent as trustee for children depositing less than \$3 .....	643.21
The amount withdrawn by the children from the bank .....	16.23

The amount deposited by the several schools:

High .....	\$ 57.25	Avery .....	\$577.15
Riverside .....	12.57	Eliot .....	116.46
Dwight .....	56.89	Kimball .....	510.40
Parker .....	24.63	Harris .....	53.16

The amount deposited by the several grades:

Grade I .....	\$ 96.82	Grade II .....	\$159.33
" III .....	163.19	" IV .....	182.65
" V .....	129.78	" VI .....	123.95
" VII .....	143.18	" VIII .....	121.83
" IX .....	230.53	" X .....	25.25
" XI .....	15.75	" XII .....	7.50
" XIII .....	8.75		

The issuing of work certificates takes quite a little portion of the superintendent's time. The number issued is very much larger than under the old law, since every one working in a mill or store between the ages of 14 and 21 must have a certificate; and a new certificate has to be issued every time a minor changes his place of employment. The new law has now been in force a little over a year and the number of certificates issued in Needham is 362.

There has been some delay in opening the evening school, since the committee felt it would be better not to open the school until the primary grades were transferred to the new Stephen Palmer school. This school was completed in January. At the opening of the Winter term the lower floor of the Kimball school was vacated and fitted up for the evening school work. Mr. A. E. Brownville has done very effective work in raising money by subscription for this school and the New Century Club has given a play for its benefit. All the illiterates in town less than 21 years of age will be required to attend this school and probably a class will be formed for more advanced pupils. There will be a male principal for the school and as many assistants as efficient work requires.

It is expected that the four rooms on the first floor of the Kimball school will be needed when the enrollment is completed.

As soon as the portable school in the Kimball yard is vacated by the pupils being transferred to the Stephen Palmer school, this building will be moved to the Riverside district. A lot will be leased or purchased and the building placed thereon; water will be brought into the building and closets be placed in the rear. The children of this district will then have a very comfortable school building. The hearty thanks of the district and the school authorities are due to the Saco-Lowell Shops for giving us the use of one of their halls for over a year for school purposes. This hall serves our purpose well until the portable can be moved to the district.

At the January town meeting \$45,000 was appropriated for a new primary school building to be built on the lot between May street and Great Plain avenue that was bought for school purposes two years ago. A building committee consisting of William G. Moseley, Chairman, Henry A. T. Dow, Secretary, Horace A. Carter, Mrs. Mary C. Whitney, J. H. Whetton, Robert B. Hill and Leonard Dawson were appointed to get plans and take charge of the erection. Clarence Hoyt was secured as architect and the work of construction has been pushed along rapidly. The building with its furnishings was completed in January, 1915. The primary grades of the Kimball school were transferred to this building in the Winter term. Six rooms were opened for use, one room for each of the first four grades, a room for a mixed first and second grades, and a room for a mixed third and fourth grades. In the Kimball school the upper floors will be used for the grammar grades and the lower floor, as has been mentioned before, for the evening school. The new building is an ornament to the town and in honor of

Mr. Stephen Palmer has been named THE STEPHEN PALMER SCHOOL. The Stephen Palmer school and the Kimball school will meet the growing needs of their part of the town for a number of years. There are now four vacant rooms in the Stephen Palmer school and the lower floor of the Kimball school which is used only at night for the evening school. At the rate this part of the town is now growing we shall soon have to have two rooms for each grade and all the vacant rooms in both buildings will be occupied.

The school committee in making their request for appropriations this last year showed the great need of renovating the inside of the Kimball school. They asked for an appropriation of \$3000 for repairs and promised to fix up the inside of the Kimball school, expecting to spend \$1000 on the ordinary repairs for the year and \$2000 on the Kimball school. The appropriation of \$3000 was granted by the town. Before the summer vacation an unexpected repair was brought upon the committee. The state inspector visited our schools and compelled us to place hand rails on both sides of all stairs in every school building; besides, he required a number of other minor changes in some of the buildings. The total expense of this requirement of the state was over \$500. This made a serious inroad into the repair appropriation, but the committee felt that the repairs upon the Kimball school ought to be made according to their plan. During the summer vacation they placed seven metal ceilings in the Kimball building, they tinted ceilings and walls, they varnished all the woodwork, they made all the necessary repairs upon the plastering, they laid new maple floors throughout, they placed electric lights in the rooms and corridors of the first floor. The inside of the building presents now a very pleasing appearance; with new desks and chairs for the children it would look like a new building. The building

should be painted on the outside before long and new windows should be put in and some of the gutters repaired. With these repairs and new adjustable desks the building would be in good condition for a number of years.

Next year there should be a thorough renovation of the Old Avery school at a probable expense of \$2,000—\$2,500. The condition of this school is very similar to the Kimball school before the repairs were made. It needs new floors throughout, it needs some metal ceilings, the walls and ceilings need kalsomining, the wood work should be washed and varnished, there should be adjustable desks in every room, and there ought to be electric lights on the third floor. Many of the children's desks are very old and primitive and are not fit for modern work.

The high school needs considerable repairs upon the walls and ceilings, and in addition a number of minor repairs. It needs paint and varnish throughout. In my opinion about \$1,000 should be spent upon the high school next year to place it in good condition. The Eliot school ought to be painted on the outside next year. To do all of these repairs and thus keep our school plant in good condition will require \$4,000 for repairs next year. After next year the repairs can be kept up for an appropriation of \$2,500 per year. This year we have been obliged to exceed our appropriation for repairs because of the unexpected expense of \$500 for repairs required by the state.

The health of our pupils as a whole has been very good. From the report of the school physicians it can be seen that the schools have not been disturbed to any great extent by contagious diseases. Our school physicians have taken the utmost pains to watch every suspicious case and to prevent the spread of any disease. They are also watchful of the general health of the pupils and give much good advice that leads to better hygienic conditions. The good attendance record of our schools is

due in quite a measure to the watchful care of the school physicians.

Music and drawing are still under the efficient care of Miss Bartlett and Miss Bean. Each year's service makes their work stronger and the results better. They are both working to get the best training for the individual pupil and they are unsparing in their efforts in and out of school hours to do everything well in their line of work and to give all of the service that is needed.

The high school is making steady advancement in discipline and scholarship. The spirit of the pupils towards the teachers is excellent and the home work is done much better. We have a strong corps of teachers. We want now the strong support and co-operation of the parents, and we will guarantee that in a few years our high school will be among the leaders in the state. From last year's graduating class of twenty-nine there were eight that went to college or to technical schools. The spirit towards an education is growing stronger in our schools year by year. Of the seventy pupils that graduated from the grammar schools last June fifty-two of these entered our high school, eight moved away and went to high schools in other places, one was too sick to go on with her studies, and later in the Fall passed away, and nine went to work; 86% of the class are going on in their studies.

A few new books have been introduced in the high school. A new speller, a new grammar, and a new series of arithmetics have been introduced in the grades. These new books are developing scholarship and are making the work easier and better for the teachers. We intend to graduate from our grades pupils that are good spellers, accurate in number, and careful in the use of English.

The Parent-Teacher Association has had remarkable success in its meetings and its endeavors. It has given its support to the school savings system, it has sup-

ported the scholarship idea started by the New Century Club and is raising a fund for a scholarship, and has advocated a number of school improvements. It has held four to six meetings per year and has had a number of able speakers to address the parents and teachers on school subjects. Some of the meetings have been given entirely to the discussion of local questions. The meetings are very enthusiastic and the president expects to get 500 members before the end of his term.

The children of the Kimball, Avery, Eliot and Harris schools this last year became interested in gardening. For several years Mrs. Moses Williams has given the children flower seeds and has taught them how to plant the seeds and has given them prizes for the best gardens. This last year she extended the offer to all of the schools, and the children of three schools, Kimball, Harris and Eliot availed themselves of the opportunity. In the Avery school flower seeds were received from the Congressman of this district and thirty children made gardens at home and the sixth and seventh grade children of the same school made a school garden 105 feet long and 4 feet wide. The large majority of the children who had gardens at home reported that they had good success and from their seeds developed plants that flowered. In the school garden there were some very pretty beds of nasturtiums, chinese pinks, morning glories, petunias and marigolds. Vegetable seeds were sent out by the Massachusetts Agricultural College and a number of children from the four schools, Kimball, Avery, Eliot and Harris planted these. Each child was given his choice of several kinds of seeds. Those that chose potatoes received from four to five good potatoes per child. Eighteen children chose potatoes and raised from a peck to a bushel of good potatoes; only two of the number failed to raise a crop. Those that planted beans received about a half-pint of seed. They varied in their crops from a quart to two bushels. Out of

the thirty-six children that tried beans only five failed to get a crop. Sixty pupils chose corn and each child received about a half-pint of seed. Five of these children got no crop; the rest got from a dozen ears to 330 ears as their crop. A few children selected tomato seed and raised from five tomatoes to one bushel. This line of work is profitable for our children; it gives them the needed exercise out of doors, it teaches them how to plant and take care of flowers and vegetables, and the crop either gives pleasure to the eye, or furnishes desirable food for the table.

In conclusion I feel that the work of our schools is advancing each year and while there will always be chance for improvement we can look back with pleasure upon what has already been accomplished. I wish to thank the school committee, the teachers, and the parents, for their strong support during my three years of service.

Respectfully submitted,

A. H. KEYES.

Dec. 31, 1914.

# Report of the School Physician

of the

HIGH, THE KIMBALL, THE HARRIS, AND THE  
PARKER SCHOOLS.

---

To the School Committee of Needham:—

I herewith submit my report as school physician of the High, the Kimball, the Harris, and the Parker schools for the school year 1913-14 as shown by the following table:—

Number of visits to the High school .....	56
Number of visits to the Kimball school .....	58
Number of visits to the Harris school .....	32
Number of visits to the Parker school .....	34
Number of office examinations .....	25
Number of physical examinations .....	597
Number of pupils with defective sight .....	42
Number of pupils with defective hearing .....	4
Number of pupils with defective teeth .....	98
Number of pupils with enlarged tonsils .....	49
Number of pupils with adenoids .....	45
Number of cases of tonsilitis .....	6
Number of cases of measles .....	11
Number of cases of epilepsy .....	1

Number of cases of spinal disease .....	2
Number of cases of influenza .....	4
Number of cases of mumps .....	1
Number of cases of whooping cough .....	4
Number of cases of diphtheria .....	1
Number of cases of cardiac disease .....	2
Number of cases of pediculosis .....	31
Number of cases of injuries .....	7

As shown by the above tabulated report there has been no epidemic of communicable diseases, and in looking back I feel that the health of the pupils is in better condition today than a year ago.

In conclusion I wish to express my appreciation and thanks to all for their assistance for the betterment of the health of the schools.

Respectfully submitted,

ALBERT M. MILLER, M. D.

# Report of the School Physician

for the

AVERY, THE ELIOT, THE DWIGHT, AND THE  
RIVERSIDE SCHOOLS.

---

To the School Committee of Needham:—

I herewith submit my report as school physician of the Avery, the Dwight, the Eliot, and the Riverside schools. The following table gives a report of my work for the school year 1913-14:—

Number of visits .....	75
Number of physical examinations .....	564
Number of office examinations .....	40
Defective sight .....	36
Defective hearing .....	8
Defective teeth .....	208
Hypertrophied tonsils .....	30
Adenoids .....	30
Number of cases of tonsilitis .....	7
Number of cases of mumps .....	23
Number of cases of malaria .....	17
Number of cases of influenza .....	2

Number of cases of measles .....	5
Number of cases of whooping cough .....	5
Number of cases of chicken pox .....	2
Number of cases of pulmonary disease .....	1
Number of cases of nervous disease .....	1
Number of cases of cœnaemia .....	1
Number of cases of coryza .....	6
Number of cases of skin disease .....	9
Number of cases of cardiac disease .....	1
Number of cases of injuries .....	10
Number of cases of pediculosis .....	24
Number of cases of conjunctivitis .....	2

We are much indebted to the Board of Health for having promptly sent their agent to the Avery school during a threatened outbreak of diphtheria.

Respectfully submitted,

WILLIAM MITCHELL, M. D.

## TABLE XIII.

### ROLL OF HONOR.

Pupils not absent or tardy for the school year 1913-14.

#### High School.

Julia Campbell, Edward A. Daley, Genevieve Daley, Dorothy C. Engstrom, Helen M. Fox, Stanley L. Freeman, Dorothy E. Gehling, Ralph W. Hemenway, Alida L. Keith, John A. Keith, Edith E. Lorraine, Beatrice H. Pidgeon, Norman Randell, Paul F. Ryan, Catherine J. Shine, Frances M. Simons, Alberta E. Smith, Harold S. Smith, Hazel A. Smith, Raymond A. Snow, Kenrick J. Whetton, Gordon S. Stanley, Francis M. Williams, Marion Zirngiebel.

#### Avery School.

Edward Bailey, Wayne C. Barnes, Lena Booth, Fred M. Brundrett, Lyndall Carter, Lawrence Caulton, Geraldine Casey, Elizabeth M. Clancey, Bertha Faust, Helen Faust, D. Lester Hunt, Edward Hunt, Antonio Khoury, Joseph W. Lawlor, Harry Lewis, Eva B. Maddocks, Harry M. Marriott, Claude McCulloch, Harding C. McCulloch, William McDonald, Dorothy Mercer, Agnes K. Mitchell, James Mitchell, Gertrude Morton, Mary Morton, Arthur Mullen, Maud Mullen, George Newton, Kathryne Newton, Robert Newton, Frank Power, Jr., Beatrice K. Ryan, Dorothea Ryan, Elenore Ryan, Clifford Senior, Ruth Smith, Gladys Spicer, Ruth Spicer, Elliott Thompson, Frederick Whetton, John J. Whetton, Robert Willgoose, John Wilson.

### **Kimball School.**

Helen Bond, Albert Chilson, Mildred Coon, Jessie Gray, Cynthia Gregory, Robert A. Hamilton, Edwin Harris, Katharine Hughes, Marguerite Kehoe, Garfield Lane, May Leary, Marion Lyons, Edward Marchant, Miriam Mathey, Orlo McCormack, Charles B. McIntosh, Guy N. McIntosh, Wesley McIntosh, George Metzger, Lillian Metzger, Theodore Metzger, Robert Morrison, Grace Murdoch, Charles Nickerson, Paul U. Nickerson, Angela Overton, Bertha Poore, Elmer Richardson, Mabel Richardson, Edna Shepard, Merino Stevens, Marion S. Steves, Charles H. Sutton, Reed Walker.

### **Eliot School.**

Marie Carpingier, Esther Coughlin, John J. Daley, Frank Grasso, Annie Herchfield, Gordon Keith, Elsie Seidenberg, Alvira Vara.

### **Dwight School.**

## CLASS SONG

At the gateway of the future are we standing, standing now,  
Ever thinking of the pleasures that away from us have passed,  
Of the lessons that are ended and the prospects they allow,  
Of the school days, happy school days, which could not forever  
last.

As the waters from the mountains flow in gladness to the sea,  
As the day star gilds the morning ere it sinks to rest at eve,  
So our moments hasten onward to the years that are to be,  
While our hopes rise still resplendent on the days that are to be.

Though our life be constant struggle, let us strive to labor on,  
For each strife but bears us nearer to the haven than before.  
May our courage be undaunted and the joy of duty done,  
Crown our voyage when in gladness we have gained the distant shore.

# REPORT

---

To the Citizens of Needham:—

On Wednesday evening, January 6, 1915, I was told by what I consider reliable authority, that the School Committee were not to present to the town any report this year, but would content themselves with the report of the Superintendent. This was the first intimation I had received of the intended action of the Committee, although present at the board meeting January 2nd. In my opinion, the town has a right to expect a report from the School Committee direct. This important branch of town administration is worthy of personal consideration, expending as it does nearly one-third of the entire tax levy.

The progress of the schools the past year has been along lines approved and tested by many years of patient work by our teachers. It is the teacher who comes in close and intimate touch with the pupil and inspires and encourages the best effort. It is the steady, quiet advance that really counts.

There have been some new ideas introduced into our schools the past year, noticeably the School Savings idea. It has been very successful, and as time goes on no doubt some method will be thought out to relieve the teachers of a large part of the extra work put upon them in connection with the School Savings system.

The good work shown in reducing the number of cases of tardiness is a matter for congratulation. With the schools open for the children it is incumbent on the parent to see that the child is present regularly and on time. The

tone of the schools is good, and it may be that in looking over from time to time the list of subjects that shall be taught in our schools, the subject of "good behavior" may be emphasized a bit. The gradual reduction of the number of cases of corporal punishment is gratifying.

### Increasing Cost.

While the Superintendent's report gives in detail many phases of schoolwork and deals with many abstract matters, the question of cost is not commented upon. A department expending over \$50,000 per year is a very important department and if a saving is to be made in town expenditures this may present an opportunity to save especially when it is considered that the average membership of the schools has increased 161.40 pupils during the past three years, or 1-6; while the cost of the schools, exclusive of repairs and permanent improvements, has increased \$12,760.98, or more than 1-3. The amount expended in 1911, exclusive of repairs and permanent improvements, being \$34,880.86, and in 1914, \$47,641.84. The total amount asked for by the Superintendent for 1915, including repairs, is \$56,117, or \$4,840.00 increase over last year. This is a very large increase, and I call attention to it that the town may consider this rather startling growth in school cost.

While teachers' salaries are not more than should be paid, it is a fact that Needham, at the present time, is paying fully up to the prevailing rate in towns of our size. The cost of superintendence is high, being given in the table published in the 1912-1913 report of the State Board of Education as \$2.45 per pupil in average membership in Needham as compared with \$1.27 in Brookline; \$1.12 in Arlington; \$1.17 in Dedham; \$1.23 in Norwood, and \$1.30 in Watertown. There are 103 towns of over 5,000 population in the State, and Needham pays next to the highest for superintendence, the average being \$1.25.

### Text-Books.

Section 38, Chapter 42 of Revised Laws, reads as follows:—"A change may be made in the school books used in the public schools by a vote of two-thirds of the whole School Committee at a meeting thereof, notice of such intended change having been given at a previous meeting."

It may be fairly assumed that the intention of this law is to place responsibility upon the School Committee and to allow investigation of the text-books it is proposed to change. This notice of intention to change has not been given as required, and text-books have been changed without due deliberation, and in my opinion, unnecessary expense has resulted. In one instance, a text-book was changed without notifying the committee until nearly eighteen months after the change was made. The cost of text-books in the High School as shown by the table of expenditures is a large sum compared with the remainder of the system, and to this must be added \$1,167.69 for supplies and miscellaneous charges. In the report of the State Board of Education above referred to, the average cost in the 103 towns for text-books in all grades is \$1.03, and the cost in Needham is \$1.01, or 2 cents below the average, while the average cost for stationery, supplies and miscellaneous is \$1.43, and the cost in Needham \$2.31, or 88 cents more than the average.

### Teachers.

The report of the Superintendent pays a high compliment to the teachers in our schools. At the opening of the fall term there were forty-one teachers in our schools. There is one teacher in the High School and seventeen teachers in the elementary schools who were here when our superintendent came in September, 1911, so that including the special teachers, twenty of the forty-one are of established reputation and included in his testimonial; and it must

be granted that they were efficient. Needham schools have always enjoyed a good reputation in comparison with other schools. Graduates of our High School have been very successful, and judging from the standing of scholars coming to our schools from other towns, the scholarship in our grades has been for years the equal if not better than in other towns of like size and valuation. This holds good today as it has for years, and there are not as yet any results showing an extraordinary improvement in scholarship. Ninety scholars being advanced on trial and 60 scholars failing of promotion the past year bears out this statement. And it cannot be shown until the completion of school work and actual test outside. Under ordinary conditions the average of our schools has always been good. Results have shown careful training and painstaking effort, and while at times one class might not come up to a good average, yet taken as a whole, the schools were well balanced. And that is a desirable condition. It does not seem possible, therefore, that all the classes in all the grades could fail in the same subject at the same time.

In the local paper of July 4, 1914, was given a table showing results in the tests given by the superintendent and referred to and reproduced in his report. Great emphasis is put upon the gain of 44 per cent in Arithmetic. The test of 1912 showing 37 per cent, and the test of June, 1914, showing 81.2 per cent. To make the comparison of value the results of the tests under practically the same conditions as to teachers and scholars, should be considered and be shown as follows:—

	Arith.	Spelling	Geo.	Phys.	History	Civics	Lan.
1st test	37.	65.5	63.5	82.3	64.8	86.8	82.3
2nd "	71.5	81.1	71.	81.4	64.8	82.	74.2
Gain	34.5	15.6	7.5		0.		
Loss				.9		4.8	8.1

### **Tests of Little Value.**

Under a fair test was it possible that our scholars could make such a poor showing in Arithmetic in the first test and average as well in all the other subjects, or show such advance in six months as 34.5 per cent? If any real gain has resulted from these tests it is insignificant as compared with the nerve strain resulting from them and affecting both teachers and scholars. Investigation will show that tests as given in our schools the past two years have been long ago abandoned by advanced educators.

Children are entitled to a happy childhood, if it be possible, and it is a grievous wrong to deprive them of it. It is nothing short of cruelty to compel children below the eighth grade to be subjected to tests of the character above referred to. If children are of a nervous, high-strung temperament, it is very injurious. They cannot play, they are fretted and irritable. No surer way can be devised to make children hate school, then to compel them to engage in tests in the lower grades. If tests are to be given, they should be given by the teachers who are familiar with the scholars and the ground covered by the scholars, and limited to the eighth and ninth grades.

One of the pernicious results of these tests as now conducted is the home study required of the pupils in the lower grades. There is supposed to be a regulation that no home study shall be required of a child below the seventh grade. This regulation should be followed. If children do the required work in school hours, they should be free the rest of the day to romp and play. This subject should be given attention by the parents, and a change made in this particular, as I do not feel that the results shown warrant their continuance.

### **The So-Called Palmer Writing.**

Great emphasis has been placed upon the so-called Pal-

mer writing in our schools and changes rung upon "professional penmen." Good writing is a desirable attainment, but our schools are not to be made subservient to it. In 1913 the A. N. Palmer Co. received from this town \$72.99 for supplies and \$30.90 for diplomas. In 1914 this company received \$13.44 for supplies and \$23.40 for diplomas. These are not very large amounts, but add to the cost of operation and might be reduced.

On page 36 of the report of the School Committee of Dover, N. H., for the year 1910, the following is found in Mr. Keyes' report as Superintendent.

"In conjunction with Mr. Palmer, I have prepared a definite course in penmanship for each grade. Each grade will be able to complete its course this year and whatever was lacking in last year's work. In a few years no undue emphasis will be given to penmanship. Each grade will do its part to an excellent result, and the result will be the best when the eighth grade pupil has had the Palmer system for eight years."

It would seem, therefore, that the proper designation for our present system is the Palmer-Keyes system, and while it is but natural for a man to have pride in his own invention, it ought not to be exploited at the expense of other subjects equally important.

### **The New School House.**

A special committee chosen by the town were authorized by vote in January, 1914, to contract for the erection of a Primary School on May Street, to accommodate the first four grades. The building has been completed and turned over to the town. The building is specially designed for the primary grades and follows the well known Boston seating plan.

There are at present extra rooms in the building that might be availed of for a kindergarten. As only the lower

grades will attend this school, the little children might be cared for and the school open to any children in town whose parents might desire to send them. A good kindergarten for the whole town might prove a very valuable addition to our system.

### **Kimball School.**

With the opening of the Stephen Palmer school, four rooms at the Kimball building will be vacated and I had looked forward to having the fifth and sixth grades in the building brought down from the third floor to the first floor, and the fire risk of having children on the third floor reduced. I cannot therefore assent to the proposed plan to use the rooms on the first floor for the evening school. The evening school will be open only a few weeks each year as compared with the number of weeks the grades attend, and if the upper rooms are to be used, they should be assigned to the evening classes. The parents who have for many years objected to their children using the rooms on the third floor should lose no time in having what to my mind is a serious error, corrected. The building as now renovated is good for several years as a grammar school, if properly utilized.

In conclusion, while the schools generally are in a satisfactory condition, certain departments of administration can be improved, and the cost of maintenance reduced. While practically every person in the community is called upon this year to economize, it becomes the duty of public officers to do the same in public affairs. In my opinion retrenchment is possible without impairing efficiency.

Respectfully submitted,

WILLIAM G. MOSELEY,

Of the School Committee.

TOWN OF NEEDHAM

---

ANNUAL REPORT

OF THE

SELECTMEN

FOR THE YEAR 1914

---

NEEDHAM  
The Chronicle Press  
1915

# Report of Highway Department

---

The following amount of money has been available for this department the past season:

Appropriation .....	\$16,000.00
Street Railways .....	2,420.94
Massachusetts Highway Motor Vehicle Fund ..	2,827.85
Total .....	<u>\$21,248.79</u>

We were unable to complete all the work laid out and recommended to the Finance Committee for the following reasons:

In the March meeting the recommendation of the Finance Committee was Twenty-One Thousand Dollars. This was cut to Sixteen Thousand Dollars. The Town also voted to accept the eight-hour law, which added to the cost of our work.

The following table will show the amounts spent in the different branches of the department:

## Table of Street Expenditures.

*Street cleaning .....	\$ 2,239.45
Drainage .....	525.48
Fencing, for material only .....	141.61
**General expense .....	3,270.73
Street signs .....	55.25
Construction .....	3,373.24
Construction Wellesley end Gt. Plain Ave. ..	5,655.78
State paying 1-2 or \$2,827.00	

\*Includes cost of new scraper, \$135.00.

\*\*Includes cost of private work, \$901.24.

Road preservatives and Dust Laying .....	3,177.91
(This includes sand, teaming and one new gasolene pump.)	
Street repairs .....	3,701.04
Unexpended balance .....	9.54
	<hr/>
	\$22,150.03

Amount paid for labor and teaming as per payroll:

Labor .....	\$8,060.81
Teams .....	5,625.15

### Street Construction Work.

Hillside avenue .....	\$ 345.75
West street .....	473.80
Highland avenue .....	875.00
Great Plain avenue, Webster to Warren .....	820.00
Great Plain avenue, Glancey's Hill .....	858.69
*Great Plain avenue, from Wellesley line .....	5,655.78

### Street Repairs.

The streets in outlying sections received quite a little attention last Spring, in regards to repairing.

A heating kettle for patching with hot material was purchased and was used to a good advantage.

Tar gutters were laid on Hillside avenue, Hunnewell street, Webster street and Greendale avenue near High street.

The following table gives a list of streets that received more than ordinary repairs:

Reservoir street .....	\$ 94.00
Cedar street .....	44.00
Wellesley street .....	88.00

---

\*State paying, from Motor Vehicle Fund, \$2,827.85.

Hunnewell street .....	213.50
Central avenue .....	134.00
Kendrick street .....	108.00
Pickering street .....	132.00
Fisher street .....	233.40

### Street Cleaning.

All the streets received a thorough cleaning in the Spring. A new two-horse scraper was added to our equipment, which has proved very satisfactory.

Some of the outlying streets should have been cleaned this Fall, but there was no money available.

### Road Preservatives.

Under this head comes the question of dust laying, which is an important question, and requires more money than we have been able to give it.

This season a gasoline pump was purchased for unloading the cars of oil. This has proved very economical, as we can have our cars unloaded from either freight yard, thereby saving time and teaming.

### Drainage.

Four hundred feet of drainage and 5 catch basins have been added to our drainage system. Three hundred and fifty feet of this was laid on West street from railroad crossing to 100 feet below Hillside. This drain was laid so that a drain could be connected into it from Hillside avenue. This street, between West and Union, should be drained and reconstructed this coming year.

### Snow.

Appropriation .....	\$1,250.00
Bills paid .....	\$1,248.95
Balance on hand .....	1.05
	<hr/>
	\$1,250.00 \$1,250.00

Outstanding bills .....\$ 88.75

The appropriation for snow was not sufficient to cover the expenses. On account of the large number of houses being built on new streets, the cost of making snow paths has increased considerably, extra plows being necessary in order to cover the work in a reasonable length of time.

### Sidewalks.

Appropriation .....	\$2,000.00	
Amount assessed to abutters .....	764.32	
	<hr/>	\$2,764.32

Expenditure for new sidewalks .....	\$2,128.72	
Expenditure for repairing sidewalks ..	635.60	
	<hr/>	\$2,764.32

### Table of Sidewalk Construction.

Highland avenue, opposite Christ church .....	\$ 185.32
Highland avenue, Rosemary street to High School	911.58
Webster street, Great Plain avenue to Otis street	246.25
Manning street, Otis street to Parkinson street	208.89
Highland avenue and May street .....	373.95
Hunnewell street bridge .....	179.67
Recording deed, surveying, etc. ....	23.06

Total .....	\$2,128.72
-------------	------------

The cut of \$1,000.00 from last year's appropriation has made it impossible to meet all the applications that were received. Several are on file for next year, which means a larger demand on next year's appropriation.

Respectfully submitted,

H. D. BLACKMAN,

Superintendent.

# Report of Fire Department

---

Needham, Mass., Dec. 31st, 1914.

To the Honorable Board of Selectmen:

Gentlemen:—I herewith submit the twenty-ninth Annual Report of the Needham Fire Department.

There are eighty-two recorded calls upon the Department for the past year, more than double the number for the year previous. Forty-seven of these were box calls; one general alarm, four second alarms and one from the town of Dover.

## Analysis of Causes.

Chimney fires .....	7
Sparks from locomotive .....	5
Carelessness .....	4
Incendiary (all but one, brush fires) .....	22
Oil stove .....	2
Hot ashes .....	2
Over-heated stove .....	1
Over-turned lamp .....	1
Burning caterpillar nests .....	1
Gypsy moth workmen .....	1
Sparks from fire place .....	1
Children and matches .....	1
Dump fires .....	6
Hedge fires .....	2

The relation of values, insurance and loss in buildings where fires occurred during the year, is as follows:

Value of buildings insured .....\$71,600.00

Insurance on same .....	63,925.00
Damage to buildings insured .....	14,660.00
Insurance paid on buildings .....	17,630.00
Value of buildings uninsured .....	900.00
Damage to same .....	900.00
Value of contents insured .....	43,225.00
Insurance on same .....	31,850.00
Damage to contents insured .....	13,405.00
Insurance paid on same .....	13,139.00
Value of contents uninsured .....	2,300.00
Damage to same .....	1,045.00
Total amount of property at risk .....	114,825.00
Total amount of damage .....	30,010.00
Total amount of insurance paid .....	15,769.00
Amount of hose laid for fire service .....	14,400 ft.
Number of feet of ladders used .....	866
Number of gallons of chemicals used .....	611

Bills to the amount of \$86.65 on account of expense to the town, incurred by the N. Y., N. H. & H. R. R. Co. have been collected by the Department and paid to the Treasurer.

There has also been collected \$56.44 for hose condemned and unfit for use.

RECAPITULATION OF ITEMS OF EXPENSE OF THE FIRE DEPARTMENT  
RENDERED MONTHLY AND APPROVED

Month	Hose	Horse Hire	Rent of Quar.	R. & M. of Stations	R. & M. of Apparatus	Printing and Stationery	Salaries of Engineers	Salaries of Men	Paid Service	Paid Drill	Auto Hire	Total Expense

	735.25	825.	72.	892.88	131.74	75	300.	1131.	1707.38	148.	217.	6102.00

The two stations owned by the town have been newly painted during the year, and some minor repairs given the necessary attention.

The situation at the Heights relative to horses being available for Combination No. 2 upon an alarm of fire became a serious one. An agreement was made with Mr. James Lawson, whereby he should maintain a pair of horses within a short distance from the station, and a man respond with the same to Station No. 2 upon every alarm of fire.

This necessitated the erection of a small barn in the rear of the station for stabling the horses at night, a man sleeping in the station. This arrangement has proven entirely satisfactory, and the service at the Heights is today the best that the town has ever enjoyed, in fact, all that can be desired under present conditions.

The next step in the improvement of the Fire Department service is the purchase of a piece of motor apparatus, which I have several times previously recommended, and do so again.

A fire in fifteen minutes often reaches the stage where it is extinguished with difficulty, and not without a very considerable loss; the latter more perhaps from water damage than from the fire itself. Consequently a fire occurring a mile or more from a station is a serious proposition.

The effectiveness of the Department is dependent upon three very influential conditions: the discovery of the fire in its infancy and the immediate giving of the alarm; the prompt response of horses and drivers for the apparatus, and the accessibility of hydrants. The first puts to the test the judgment of the individual. Strange to say the telephone has proven as much a hindrance in cases of fire as an assistance. For regardless of the fact that signal boxes are generously stationed at the vantage points in

the town, an alarm from which instantly locates the vicinity of the fire for the men who are to respond, people persist in telephoning the information which has to be repeated several times before the whole machine is in full operation, and by this time the first fifteen minutes have passed.

Relative to the service at Station No. 1, the second condition is governed entirely by the business of the public stable. In the history of the department the instances have been very few, if any, when at least one pair of horses have not been supplied when the call came, and at once. This may have required some minutes consumed in unhitching from the stall or team, furnishing an opportunity for the critic who is always on duty; by sufferance rather than justification. There have been occasions, however, when if an alarm had been given, business having demanded the use of all the horses, none could have been had from the stable-keeper. We have yet to experience this condition with disaster, but the menace is there.

It is the consideration of this condition, and its attending disastrous possibilities that has lead me to believe in the expediency of making a beginning in the purchase of motor apparatus. Horse-drawn fire-fighting machines are but a relic of the past, and the motor is the substitute, when action is substituted for criticism.

I would further recommend the initial step towards a permanent department by the addition of two permanent men. For obvious reasons it is impossible for one man to be always available twenty-four hours a day during the entire year, but by a combination of two men there would actually be constant, regular and permanent service.

Relative to recommendations regarding the Fire Alarm System and extension, same is fully covered in the report of the Superintendent.

## Inventory.

### Headquarters.

Station No. 1 land and buildings.....	\$ 2,400.00	
Combination Chemical and Hose wagon and equipment .....	1,862.00	
Hook and Ladder Truck and equip- ment .....	1,320.00	
Hand Engine .....	100.00	
Hand Reels (2) .....	10.00	
Hose (2,100 feet) .....	1,100.00	
Other appliances and fittings .....	825.00

		<hr/>	\$ 300.00
			<hr/>
			\$16,902.00

Yours respectfully,

H. HOWARD UPHAM,

Chief of Fire Department.

# Report of Forest Warden

---

Needham, Mass., Dec. 31st, 1914.

To the Honorable Board of Selectmen:

Gentlemen:—I beg leave to submit my sixth Annual Report as Forest Warden.

Eight hundred and six permits have been issued during the past year. There have been more brush and wood fires the last twelve months than ever before; the majority of cases being the result of maliciousness, but causing no material amount of damage.

Very small children having access to matches, in some instances, has resulted in fires which might have caused considerable damage.

This matter should have the serious attention of the parental authorities, before it becomes necessary for those of the town to act.

I have complied with the requirements of the statutes relative to the publishing of notices in the Needham Chronicle and the posting of notices.

For the benefit of those who are not familiar with the Massachusetts Forest Laws, I append the following extracts:—

## Extracts from Massachusetts Forest Laws.

1. Setting fire to growing wood or timber of another.  
Punishable by a fine of not more than \$100.00 or by imprisonment for not more than six months. R. L. 208, Section 7.

2. Letting fire escape. Negligently allowing fire to escape from your own land to adjoining land. Punishable by a fine of not more than \$250.00, also liable for damages. R. L. 208, Section 8-9.

3. Forest Wardens not liable to arrest for trespass. Wardens, Deputies and Assistants, not liable for trespass while acting in the reasonable performance of their duties. Acts 1907, 475, Section 6.

4. Permit to light fire in the open. In any city or in towns so voting a permit from the Forest Warden must be obtained to start a fire between March 1 and December 1. The only exception being that debris from fields, gardens or orchards, or leaves and brush from yards may be burned on ploughed fields by the owners thereof, their agents or lessees, but in every case such fire shall be at least two hundred feet distant from any forest or sprout lands, and at least fifty feet distant from any building, and provided further that persons above eighteen years of age may maintain a fire for a reasonable purpose upon sandy or barren land, if the fire is enclosed within rocks, metal or other non-inflammable material, but in every case such fire shall be properly attended until extinguished. Violation of this provision—punishable by a fine of not more than \$100.00 or imprisonment for not more than one month or by both such fine and imprisonment. Acts 1908, 209, Section 1, as amended by Chapter 244, Acts 1911.

5. Arrest without warrant. The Forest Warden or any of his deputies may arrest any persons setting or maintaining a fire in violation of the provisions of this Act. Acts 1908, 209, Section 4, as amended by Chapter 244, Acts 1911.

6. Penalty for refusing aid. Any person between the ages of 18 and 50 years who refuses, without good cause,

to assist the Forest Warden or his Deputies in the fighting of forest fires is liable to a fine of not less than \$5.00 or more than \$100.00. R. L. 32, Section 21; 1907, 475, Section 3.

7. Disturbing notices. Whoever wilfully tears down or destroys any notice posted under the provisions of this Act shall be punished by a fine of \$10.00. Acts 1907, 475, Section 7.

### **Law Relating to Brush or Slash.**

The law relating to disposal of slash or brush following wood or lumber operations is as follows:

1914, 101, Sect. 1. Every owner, tenant or occupant of land, and every owner of stumpage, who cuts or permits the cutting of wood or timber on woodland owned or occupied by him or on which he has acquired stumpage by purchase or otherwise, and which borders upon the woodland of another or upon a highway or railroad location, shall clear the land of slash and brush wood then and there resulting from such cutting for such distance, not exceeding forty feet, from the woodland of such other person, highway or railroad location as the local forest warden shall determine, and within such time and in such manner as he shall determine.

1914, 101, Sect. 2. Any person who cuts or causes to be cut trees or brushes or undergrowth within the limits of any highway or public road shall dispose of the slash and brush wood then and there resulting from such cutting within such time and in such manner as the forest warden of the city or town wherein such cutting is done shall determine.

1914, 101, Sect. 3. Whoever neglects to comply with the directions of the forest warden with regard to the disposal

of slash and brush, as provided in sections one and two of this act may be punished by a fine of not less than five dollars nor more than fifty dollars.

1914, 101, Sect. 4. This act shall take effect on the first day of January in the year nineteen hundred and fifteen.

I would respectfully request that the citizens of the town co-operate with the Forest Warden in this work which is intended for the benefit of every one, and is a part of the modern plan for fire prevention, being given wide consideration in the community, state and nation.

Yours respectfully,

H. HOWARD UPHAM,

Forest Warden.

# Report of Police Department

---

December 31, 1914.

To the Honorable Board of Selectmen,

Gentlemen: I hereby submit my annual report of the doings of the Police Department for the year ending December 31, 1914:

Number of arrests .....	43
Number of cases .....	53
Number of adults .....	43
Number of juveniles .....	0
Number of residents .....	30
Number of non-residents .....	13
Number of males .....	42
Number of females .....	1

## Causes of Arrests.

Assault .....	2
Assault and battery .....	7
Attempted murder .....	1
Bastardy .....	3
Breaking and entering .....	10
Carrying concealed weapons .....	1
Cruelty to animals .....	1
Disturbing the peace .....	9
Drunk .....	14
Gaming on Lord's Day .....	2
Insane .....	1
Larceny .....	2
Neglect of wife .....	1
Violation of automobile laws .....	1
Violation of game laws .....	2

## Disposition of Cases.

Acquitted .....	0
Appealed .....	2
Committed to insane asylum .....	1
Filed .....	4
Fined .....	24
Placed on probation .....	7
Sent to jail .....	15
Discharged .....	2
Amount of court fines .....	\$190
Amount of jail fines .....	\$ 50
Amount of stolen property recovered .....	\$790

During the year the work of the department has greatly increased over the past years, there seldom being a day passing without some member of the department being called, either to investigate complaints, or answering questions pertaining to the work in connection with other towns and cities.

In the report given above, only cases requiring court procedure are given, these being the only ones of which any accurate record is kept. It would be almost impossible to detail the work of this department so as to show the work performed.

Several cases of breaking and entering occurred, and in all but a few cases the offender, or offenders, were caught. Practically every case required from one to six days' work of investigating, and here I may say, 85 percent of all the property stolen has been recovered.

Several cases on which some time was spent were settled out of court, these being mostly the work of boys, who, through the leniency of the parties interested, were given a chance to make restitution.

Several automobile accidents were reported, but, with the exception of one, were of little consequence. On Thanksgiving morning a machine being driven at an excessive rate of speed ran into a tree on Highland avenue.

Three persons lost their lives as a result of this, and, as the operator of the car was one of the persons killed, no action was taken.

I think the time has arrived for the town to place an officer on duty in the day time. This officer to visit each section of the town, as he finds it necessary, but always being in close touch with the civic centers of each section. The numerous complaints continually requiring the attention of the department could be very readily handled by this officer.

The increased automobile traffic is making it dangerous for our school children and at the present very little protection is afforded them. It is a well known fact that, in places where there is no day police, automobilists do not carefully observe the laws.

I would recommend an appropriation for the year 1915 sufficient to provide for an additional regular officer.

Respectfully submitted,

N. MacKENZIE,

Chief of Police.

# Report of the Superintendent for Suppression of Gypsy and Brown-Tail Moths

---

To the Honorable Board of Selectmen:

Gentlemen:—I herewith submit the report of the moth department for the year ending December 31, 1914. The condition of the residential areas of the town compares very favorably with that of previous years except in a few instances of large white oaks, or of localities in close contact with infested woodlands.

The woodland condition, except in cases where the owners themselves are taking an interest and following the proper method of thinning and spraying, is becoming continually worse.

There has been an enormous increase in the number of gypsy moths in the woodlands during the past season, not only in Needham, but in the surrounding towns. The number of browntails shows a decrease of at least ninety per cent, caused partly by weather conditions and by a fungous disease to which they are subject.

The gypsy moth problem is a very serious one. With our present spraying facilities it is impossible to thoroughly cover the ground during the short spraying season.

Spraying should be done when the caterpillars are quite small to be very effective, as a later spraying results in driving many into unsprayed trees instead of killing them.

A strip along all roadsides, at least two hundred feet

wide should be sprayed to protect the roadside trees. To do this and the other necessary spraying another sprayer would be required.

The large beetle known as the calasoma is increasing rapidly and is doing very good work in some localities, killing nearly all the caterpillars on some trees.

Several of the other parasites which have been introduced seem to be working quite extensively, but these agencies, while they may eventually prove of great benefit, will probably always need human co-operation.

The most effective way to suppress the gypsy moth is to remove its favorite food trees.

Undoubtedly if our trees were principally of the coniferous species, such as the pines, spruces and firs, and such deciduous species as the maples, ash and hickory, we should have no moth problem.

The oaks, especially the white, will eventually be destroyed by the gypsy moth unless protected by the most careful efforts.

While the gypsy moth will destroy trees of all kinds after becoming established on its favorite sorts, its spread on anything but its favorites is very slow and without them it would be practically harmless. For this reason when cutting trees care should be used to cut the ones most subject to moth attack.

Respectfully submitted,

E. E. RILEY,

Local Superintendent.

## Report of the Tree Warden

---

The season of 1914 has been a trying one to our street trees on account of drought during a part of the summer. While this drought has been severe enough to cause damage to trees in the most favorable locations the street trees are especially subject to injury because of the limited area of good soil within reach of their roots. Modern methods of street and sidewalk construction result in the loss of many roots and the practice of tarring streets cuts off much of the water supply.

Thirty-five maples were set out in the spring, and all were in good condition in the fall except one or two which had been injured by horses.

Some of our larger trees are dying each year and many small ones should be set to replace them, or our roadsides will become bare and unattractive.

With our present small appropriation it is impossible to do much planting without neglecting the trees already established.

Another item which has been neglected through lack of funds is the cutting of brush along the roadsides. More of this should be done for several reasons.

The removal of brush and worthless trees gives the more desirable varieties a chance, removes much of the danger from insect pests, and in narrow and winding streets, lessens the danger to users of the highway.

E. E. RILEY,  
Tree Warden.

# Report of Superintendent of Fire Alarm

---

December 31st, 1914.

To the Honorable Board of Selectmen:

Gentlemen:—In presenting the annual report for this department I am glad to report that the System as a whole is in good working order at the present time.

It is gratifying to note that the Fire Alarm System weathered the storms of November and December without interruption. The sleet storm of December 7th to 11th did a great deal of damage to the Electric and Telephone Company's lines as well as demoralizing Fire Alarm circuits in many of the surrounding towns.

During the early part of the year, the Gamewell Company very kindly sent an expert to examine and report on the Fire Alarm System and make recommendations.

Later the New England Insurance Exchange sent an inspector to look over the System and they also made recommendations based upon their inspector's report.

The appropriations for the year would not permit of carrying out all of the recommendations offered, but the work done during the year has been along the lines suggested, with the object in view of giving our citizens the best protection possible for the money expended.

As far as possible the work done has been contracted for, and local contractors given the preference, all other things being equal.

All repairs and changes in the lines have been made

with permanent construction in order to avoid future expense on work of a temporary nature.

During the first three months of this fiscal year a good deal of trouble was experienced with portions of the overhead lines and some of the electrical apparatus. Most of these difficulties have been overcome and for the past six months no complaints have been received of alarms not sounding properly on the tappers and tower strikers.

A careful examination revealed the fact that a very large proportion of the overhead wires were in such condition as to demand immediate attention and it was decided to entirely rebuild that section of No. 2 circuit (Needhamdale) from the corner of School Street and Dedham Avenue along Dedham Avenue to South Street, South Street to Great Plain Avenue, abandoning the old route on Green Street, returning by Great Plain Avenue and Harris Avenue to Dedham Avenue. New lines have also been constructed on Marked Tree Road from Great Plain Avenue to the new box, No. 62, at High Rock Street, on Warren Street from School Street to Kimball Street, and on Brookline Street from Webster to Manning Street.

One new box of the latest "non-interfering succession" type was purchased and installed at Needham Square, and the box removed from Station No. 1 on Chestnut Street. This box has been repaired and modernized, renumbered 62, and placed at the corner of Marked Tree Road and High Rock Street.

All of the new line construction has been made with No. 8 B. & S. 30% copper clad steel, triple braid weatherproof wire, joints being made with the latest type of seamless tubular copper sleeves. This wire was chosen on account of its high tensile strength and ability to withstand severe wind and sleet storms as well as high conductivity due to the copper shell surrounding the steel core.

All new cross arms used this year have been of Washing-

ton fir with Locust pins painted with two coats of good linseed oil paint. These have been put up with 5-8" galvanized through bolts and double braces. Corner guard irons being used at places where a broken pin might allow the Fire Alarm wires to come in contact with other high voltage wires, this construction being considered the best that is known for that class of work.

In order to accomplish what has been done with the overhead lines it was necessary to forego the work designed to modernize the Central Station and to purchase only one-half of a new set of battery elements instead of a full set, using the amount appropriated for these purposes on the lines. Some criticism may be offered that this was done, but in my judgment the money thus diverted was wisely expended and the results obtained have justified this course. There is no question but that the Central Station should be overhauled and modernized, but the apparatus is still serviceable and in fair condition.

A new slate base fuse board has been installed in the cable box at the main distributing point outside the Town Hall. Material for a new lead covered underground cable from the switchboard to this fuse board was on hand when the present superintendent took charge and this has been installed.

Break glass key guards have been placed on all Fire Alarm boxes in the town with the exception of No. 312 which is on private property and has the key in the lock at all times. The new key guards have added considerable to the duties of the Superintendent. About sixty glasses have already been broken in them since their installation and each broken glass means a trip to the box to replace it.

During last summer the N. E. T. & T. Company laid underground conduits from the corner of Great Plain Avenue and Highland Avenue to Highland Avenue near Alfreton Road (Needham Heights). One duct in this con-

duit is provided for the use of the Town for Fire Alarm wires, no charge being made against the Town by the Telephone Company for this duct. My recommendation for the ensuing year covers the placing of a portion of the Fire Alarm wires along Highland Avenue in this duct.

I take this opportunity of expressing my appreciation of the co-operation of the officials and employees of all of the companies owning poles and lines in the Town who have been uniformly courteous and obliging in every way.

After a careful and comprehensive study of the situation I respectfully submit the following recommendations for improvements, extensions and repairs to be carried out in 1915 together with the estimated cost of doing this work.

Overhead lines recommended to replace:

- No. 1 Circuit (Needham Heights). Double line on Webster Street from Great Plain Avenue to West Street; double line on High and West Streets from Greendale Avenue to Highland Avenue.
- No. 3 Circuit (Charles River). Double line on Chestnut Street from Oak Street to South Street.
- No. 4 Circuit (Great Plain Avenue South). Single line along May Street from Highland Avenue to Garden Street, along Garden Street to Great Plain Avenue, along Great Plain Avenue to Central Avenue. Along Nehoiden Street from Rosemary Street to May Street, along May Street to Highland Avenue.
- No. 5 Circuit (Upper Falls). Single line from box No. 49 along Hillside Avenue to West Street; double line from corner of Hillside Avenue and West Street to box No. 47; single line from corner of Hillside Avenue and West Street to box No. 56; double line from box No. 56, along Hunnewell Street to box No. 57; double line from box No. 56 to Highland Avenue and Hunne-

well Street; double line from Highland Avenue and Hunnewell Street to box No. 35.

Total approximately 57,500 ft. of wire required.

The overhead wires from Town Hall to corner of Highland Avenue and Great Plain Avenue, and from Town Hall to corner of May Street and Highland Avenue, should be replaced with underground lead covered cable. This, including the service to the switchboard in the Central Fire Alarm Station, will require approximately 6,750 conductor feet of No. 12 B. & S. rubber covered lead encased wire and suitable fittings.

New Fire Alarm boxes recommended:

One at corner of Grant and Kimball Streets.

One at corner of Brookline and Manning Streets.

One at corner of Chestnut and High Rock Streets.

One at corner of Rosemary Street and Highland Avenue.

Fire Alarm boxes recommended to be moved:

Box No. 245 from junction north to corner of Chestnut and Cross Streets

Box No. 37 from Hose House No. 2 to corner of West Street and Highland Avenue.

Urgent request has been made for a new Fire Alarm box to be located at the corner of Greendale Avenue and Broad Meadow Road. This has not been included in this year's estimate on account of the cost of new line to this location which together with a new box is estimated to cost about \$400.00.

Visual Indicators are recommended for Fire Stations one and two, to enable the firemen to always be sure of the correct number of the box being rung in as soon as the first round of the alarm is completed. For Station No. 1 this should also have a 12" gong on account of its distance from the nearest tower striker.

### Estimated Cost of Additions, Repairs and Maintenance.

Replacing overhead lines, approximately 11 miles	\$1,650.00
Replacing overhead wires with underground on Highland Avenue from Great Plain Avenue to May Street and to switchboard in Central Station .....	325.00
Four new Fire Alarm boxes installed and moving No. 37 and No. 245 .....	350.00
New switchboard panel for Central Station .....	250.00
Rewiring Central Station .....	150.00
One-half set of storage batteries (105) .....	100.00
Visual Indicator with 12" gong for Station No. 1	200.00
Visual Indicator plain, for Station No. 2 .....	125.00
Supplies .....	200.00
Repairs to lines .....	250.00
Repairs to apparatus .....	150.00
Moving tappers .....	100.00
Contingencies .....	150.00
Salary of Superintendent .....	600.00
	<hr/>
	\$4,600.00

Respectfully submitted,

T. F. PICKETT,  
Superintendent Fire Alarm.

# Report of the Inspector of Wires

---

December 31st, 1914.

To the Honorable Board of Selectmen:

Gentlemen:—The year just past has witnessed a steady growth in the number of users of electric current for light, heat and power. Electric cooking ranges, flat irons, vacuum cleaners and other electric appliances are coming into more common use from day to day.

This is perhaps best indicated by the fact that only one new house has been built in the town during 1914 that has not been wired for electric lights. In addition to this a large number of old houses have been wired and fitted for lights. The growth of this business is also indicated by the opening of a sales room in the town by the Edison Company for the express purpose of extending the field of consumption of electric current for domestic purposes.

It has been the aim of the present Inspector to bring the standard of work in electrical installations up to the best that is known, and to personally see that all interior wiring done in the town conforms strictly to the latest rules of the National Board of Fire Underwriters.

Considerable effort has been made to get permits issued promptly in order to avoid delay in getting customers' connections made and meters installed, with the result that complaints due to delayed services have been reduced to a minimum.

A complete record of all inspections made and permits issued is now kept on file, and this record is proving its

value for reference. Suitable printed forms are provided to all contractors upon which to make application for inspection, and these forms when filled out show the class of work, number of lamps installed, types and sizes of motors, heating appliances, etc.

As the total number of completed inspections for the past year closely approximate one for each working day, and the average number of visits required for each completed inspection is in excess of three, it follows that the problem of transportation is one of serious moment to the inspector, as many of the premises to be inspected are far removed from street car lines or railroad stations, and in all sections of the town. As a matter of fact it is often impossible to cover the ground properly in a reasonable amount of time without the use of an automobile.

Referring to overhead wires on the streets of the town, it is gratifying to note that the various companies owning poles and wires in the town are endeavoring to keep their property in good repair.

Particular mention is made of the fact that the New England Telephone & Telegraph Company have installed underground ducts for their cables on Highland Avenue from Great Plain Avenue, Needham, to Hunnewell Street, Needham Heights, and are at present engaged in drawing new cables into these ducts in order that the overhead telephone wires along this route may be removed.

It is to be hoped that the Edison Company may be induced to bury their wires along this same route in the near future, and thus pave the way for the entire removal of overhead wires through the centre of the town.

The work done during the year has been tabulated as follows:

# List of Premises Inspected and Permits Issued During the Year 1914

	Inspections	Permits Issued	Incandescent Lamps	Motors	Ranges and Heating Appliances	Other Apparatus
New Residences .....	115	93	1897		12, 38.8 KW	
Old Residences .....	119	114	1813		2, 6.5 KW	
Factories, Laundries, etc.....	18	15	149	7, 22-½ HP	1, 3.5 KW	
Stores and Offices .....	17	15	90	2, 6-½ HP		Stereopticon 2 Arcs
Public Buildings and Churches .....	8	5	297			
Miscellaneous .....	5	4	18			
Total .....	282	246	4264	9, 29 HP	15, 48.8 KW	2

Respectfully submitted,

T. F. PICKETT,

Inspector of Wires.

# Report of the Building Inspector

Jan. 1915.

To the Selectmen of the Town of Needham :

The Building Inspector herewith submits the 2nd annual report for the year ending Dec. 31st, 1914.

At the adjourned annual town meeting held March 16th, 1914, it was voted that the enforcement of the regulations relative to plumbing be under the control of the inspector of buildings and by the passage of this law, this department has taken charge of this work under the active supervision of Mr. J. F. Buckley and Mr. Henry Thomas.

The present plumbing laws have been found to be entirely inadequate to present conditions of the town and it is hoped that suitable changes will be made so that the present needs of the town may be best served.

During the past year there have been granted one hundred and thirty-three building permits which are classified as follows :

	Jan.	Feb.	Mar.	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.	Total
Dwell'gs	2	2	9	5	6	4	7	5	3	4	6	9	62
Garages	.....	1	1	2	.....	2	2	2	2	1	.....	1	14
Stables & Outb'l'gs	.....	.....	1	.....	.....	.....	1	3	2	1	1	.....	9
Stores & Mfg.b'l'gs	1	.....	1	1	1	.....	1	.....	.....	1	1	1	8
Public Buildings	.....	.....	1	.....	1	.....	.....	.....	.....	.....	.....	.....	2
Alter. & Additi'ns	2	1	3	5	6	5	5	1	£	7	.....	.....	38
Totals	5	4	16	13	14	11	16	11	10	14	8	11	133

There have also been issued seventy-four (74) permits for plumbing during the period from April 1st, 1914 to December 31st, 1914.

Respectfully submitted,

KARL W. RICHARDS,

Building Inspector.

# Report of the Board of Selectmen

---

We take pleasure in submitting the 203d annual report outlining briefly the work accomplished and our suggestions and recommendations for the current year.

In making our appointments in the various departments we have had in mind getting the most efficient service to the end that the town may be made more attractive, and the prosperous growth we have enjoyed for several years be continued. •

## Highways.

A detailed report of the work done under this heading will be found on another page signed by the Superintendent. It may be here stated that during the year the equipment of this department was thoroughly overhauled and put in first-class condition, and several new tools added. These included a new tar kettle, gasoline pump, and two-horse scraper, which have improved the efficiency of the department, and reduced the expense. We were successful in having the State Highway Department pay half the cost of building 4,500 ft. of new road on Great Plain Avenue, starting from the Wellesley line. We have made application to the same department this year to bear half the expense of continuing this work to Mark Tree Road and also continuing the work done in 1913 on Dedham Avenue to Webster Street. It is intended to do this work during the present year. It became necessary during the year to take up the question of securing a ledge and grav-

el pits for Road Building material. After advertising and careful consideration we have leased for 5 years at \$50.00 per annum with a privilege of renewal, what is known as the Kingsbury Ledge on Central Avenue. This ledge is of suitable material and should meet the demands of the department for 20 years, and is in a desirable location. We are now negotiating for the purchase of a gravel bank of good quality and it looks as if we will be successful in securing same.

We consider the condition of our streets above the average and a continuance of a policy of permanent Macadam construction will prove the most economical in the end.

It has been found desirable to widen the streets at three different points, Central Avenue and Webster Street, Highland Avenue and Rosemary Street, and Central Avenue and Fisher Street. This has been done to eliminate danger, and allow suitable roadway without trespassing on private property, besides beautifying the places.

#### Appropriations recommended.

We recommend the following be appropriated for the Highway Department together with the moneys to be received from the Massachusetts Highway Commission and

#### Street Railway Tax.

Cleaning .....	\$ 2,800.00
Drainage .....	1,000.00
Fencing .....	500.00
General Expense .....	3,000.00
Street Signs .....	50.00
Dust Laying .....	5,000.00
Construction .....	9,825.00
	<hr/>
	\$22,175.00

### **Bridges.**

It is important to mention the fact that the necessary papers have now been signed between the Town and the N. Y., N. H. and H. Railroad for the building of the bridge over High Rock Street. The railroad company informs us that work will be commenced as soon as weather conditions will permit. All existing bridges have been visited at regular intervals and kept in good repair. It will be necessary this spring to strengthen and repair the Pierce Bridge between this Town and Dover.

### **Sidewalks.**

This is one of the most important methods of improving the appearance of the Town, as well as giving practical results, if the work is properly done.

We recommend a much larger appropriation this year for this work, and that the property owners be encouraged to construct Granolithic sidewalks in front of their properties.

There are at present a number of applications on file for Granolithic sidewalks, which could not be granted this year for want of necessary funds.

During the year the sidewalk approaches to Hunnewell Street Bridge were widened, to conform to the widening of the bridge by the R. R. Co., and further improvements are contemplated.

### **Fire Alarm.**

The system has been overhauled and considerably improved during the year and it is recommended that the work be continued to ensure efficient service.

A detailed report will be found on another page as submitted by our Superintendent.

### **Underground Wires.**

A start has been made in our Town in placing wires un-

derground. During last fall the telephone placed all their wires underground along Highland Avenue from Great Plain Avenue to Hunnewell Street. We had hoped to induce the Edison Co. to adopt this same plan at the same time, but failed to have them follow our suggestions. Now that a start has been made along these lines, and the prospect of our having our own Fire Alarm wires put in the same conduit on Highland Avenue, it may be that within a reasonable time all wires will be underground, more particularly in the business sections.

### **Town Hall.**

A number of Fire Extinguishers have been placed in different parts of the Hall and the possibility of fire reduced to a minimum. An opportunity to purchase a much needed grand piano presented itself, and to meet the demands for such an instrument the same was secured at a nominal figure. The old piano used in the Hall was given to the School Committee for use in any of the Schools. Repairs were made and painting done in different parts of the Hall, and the constant care given by the Janitor gives general satisfaction to all concerned.

### **Street Lighting.**

It is our opinion that the present system of lighting the Town on what is known as the moonlight schedule is unsatisfactory.

We have made investigations and been in consultation with the Edison Company relative to the best method of lighting a town of this importance and population. We recommend the present system be investigated, and a new arrangement made whereby the town will be kept lighted at night irrespective of the moon, and that new poles and lights be placed at regular intervals around the square as well as on streets in its vicinity, all as shown on blue prints

submitted by the Edison Company and which will be brought before the town meeting in March.

### **Police.**

The many duties of the chief and officers of this department have reached a point where some more satisfactory system must be adopted, and with the population of six thousand and the constantly increasing automobile and vehicle traffic, we feel it our duty in the best interests of the town to recommend that a day officer be appointed. There are many reasons why an officer should be on duty in the day time, and as there is no officer, our system is not up-to-date at present.

A detailed report of this department will be found on another page, signed by the Chief.

### **Fire Department.**

It may be seen in the Chief's report on another page that we have had more than double the number of fires this year than last, although fortunately none of a very serious nature.

It should be realized that the town has nearly doubled in population since the present method and means of reaching fires was established and the unsatisfactory system, especially at Needham Centre, where procuring horses is a matter of chance, convinces us that the time has arrived when a motor truck should be purchased and two permanent men kept on duty.

### **Play Grounds.**

This subject has been forcibly brought to our attention during the year. The constantly increasing population and demand for public playgrounds where amusements can be had with the minimum chance of accident, leads us to suggest that serious consideration be given this question and

action taken when it comes before the voters at the March meeting.

It is obvious that land for such a purpose can be purchased at a more reasonable price at this time, than in the future, and we recommend that definite steps be taken to secure same.

### **Moth Department.**

The work required of this department is so little known that unjust criticism is sometimes made.

The state law requires property owners to care for the Gypsy and Brown Tail moths on their premises and it becomes the duty of the town to enter the premises and do the work only after the neglect of the property owner. The owner is liable to the town for expenses entailed by his neglect up to an amount equal to one-half of one percent of the value of the property. Thus it can be seen that the superintendent has no discretion in the matter, but is obliged to comply with the law.

### **Insurance.**

The question of Insurance has been given consideration, and is now being investigated with the object of recommending that the schedule form of insurance be adopted, whereby the town can insure more accurately the value of its property, which we understand can be done with quite a little saving to the town by this plan.

### **Town Accounting.**

This up-to-date method of accounting is meeting with general approval and when understood, will be found entirely satisfactory. The accountant being on duty daily gives the citizens opportunity to get any information desired relative to accounts.

## **Soldiers' Benefits.**

Under this heading we have had very little change in the number of persons aided. All military and state aid disbursed for the year will be returned to our treasury by the state. We have endeavored to make disbursements wisely and yet render to the needy all comforts possible. The appropriation for the year 1915 should be larger than last year since a few new cases call for increased allowances. The settlement work of this department is carried on by our clerk under our supervision.

## **LAW.**

### **McCulloch vs. Town of Needham.**

Briefly reviewed, this is the case of the boy who was burned by having his clothing take fire from burning leaves remaining in the gutter on Hunnewell Street, Needham Heights.

The case was tried January 21 and 22, 1913, before a jury in Dedham. Exceptions by Mr. Coggan, attorney for the plaintiff, were taken, the filing of which was delayed from time to time. However, the case went to the Supreme Court, and arguments made; a decision was handed down on February 28th, 1914, overruling the exceptions and the verdict for the town was sustained. By this decision the town is relieved of further responsibility in the matter, and the case is disposed of.

### **Engineers of Fire Department vs. Town of Needham.**

This suit was brought against the town for reimbursement for moneys expended by the engineers in defending suits tried in 1913, and Judge Plympton directed judgment in favor of the town.

**Bates, Nay and Abbott vs. Town of Needham.**

This suit was brought against the town for services rendered the engineers in their suit against the town in 1913, and judgment was entered in favor of the town.

JAMES M. McCracken,

SAMUEL H. WRAGG,

DAVID MURDOCH,

Selectmen of Needham.

# Town Accountant's Report for 1914

---

I have examined the accounts of the financial officers of the town for the year 1914, and find the same to be correct.

Permit just a word in regard to the system of town accounting as recommended by the Bureau of Statistics, and adopted by a vote of the town. They recommend a complete set of double-entry books, supported by proper warrants and vouchers, in which shall be recorded all transactions relative to the finances, and shall be so kept that the true financial condition of the town as a whole may be shown at any time.

To insure this, the heads of all departments should report to the bookkeeper, all bills sent out and all receipts, that they may be recorded, proper forms being provided for this purpose.

The Assessors should, in committing a warrant to the collector, forward a copy to the accountant, that the amount of the same may be charged to the collector, and as collections are made, and paid to the treasurer, the collector should furnish the accountant a statement as to the amount, classified by assessment years, so that he may receive a proper credit. At certain intervals the treasurer should report to the accountant the receipts in detail which would be a countercheck on all departments.

The common practice has been to allow each department to take care of its own accounts receivable on account of services rendered, or materials supplied, resulting in loss of revenue to the town.

This year the head of the highway department has collected every dollar due the town for such accounts in 1914.

Under laws recently enacted, no department can contract liabilities in excess of its appropriation, (except for extraordinary or unforeseen expenditures,) therefore each department head should have before him, as often as once a month a statement of the amounts expended and unexpended in that department. Forms are provided for all statements to the accountant of all these transactions. When the assessors make any abatement of taxes, a copy of such abatement is handed to the accountant, that he may credit the collector with such abatement when reported by him.

The water department submits a statement of all bills rendered for collection, and the treasurer in making returns to the department of collections, furnishes a copy of the same to the accountant.

Under the former system the selectmen were required to approve and sign every bill as passed for payment. Now the bills are listed on a warrant to the treasurer, and in signing that warrant approve of all bills listed thereon. One week there were presented for payment over one hundred and fifty bills, and these were listed on not over ten warrants requiring their signature.

It has been a great convenience to the heads of departments and others that the bills and accounts have been available at all times for their inspection, also that an officer of the town has always been present in the town hall to answer questions about town affairs.

During the first half of the year matters were more or less complicated by the labor of changing from the old system to the new, but since July the business has progressed more smoothly.

The heads of the departments have appreciated the advantage of knowing at all times the standing of their

department, thus enabling them to govern the expenses of the department in preventing an overdraft of the appropriation. As a result of this information, the following statement is submitted showing how the finances of the town have been benefited.

---

### Appropriations in 1913.

Special meeting in January for expenses in January and February	\$ 31,462.27
Regular meeting in March	91,575.00
Special meeting in October for deficiencies	11,750.00

# Twenty-fifth Annual Report of the Water Commissioners

---

To the Inhabitants of the Town of Needham, Massachusetts :

The Water Commissioners herewith submit their twenty-fifth annual report for the year ending Dec. 31, 1914.

At the annual town meeting in March, Mr. William Carter was re-elected water commissioner for a term of three years.

The board organized by electing Mr. Albert E. Collishaw chairman, and appointing George A. Adams clerk.

## Extensions

For extensions see Superintendent's Report.

## Increasing and Protecting Water Supply

The official test of the new Laidlaw-Dunn-Gordon pump purchased in 1913 was run February 17, and developed a duty of 118,711,800 foot pounds, exceeding the guaranteed duty by 711,800 foot pounds, thereby earning a bonus of \$71.18 for the manufacturer.

The pump has been in daily service since that date and so far has proven to be all that was claimed for it. But our plans were upset financially, for we expected to do the pumping with one engineer as heretofore, but the town voting to accept the eight hour law, made it necessary to employ the second engineer, as one man cannot do the work within the forty-eight hours a week, as prescribed by law.

We are now doing the pumping in two shifts, filling the standpipe twice daily, giving the town the benefit of the extra cost of the pumping.

Continuing on the plan outlined in the 1912 report we have driven test wells on the "Colburn land" between South street and the Charles River. These wells were all driven to ledge and pumped to test for quantity, and from results obtained, seems to be the proper place to locate the well contemplated.

We are also working on plans for a new standpipe and from data so far obtained is in favor of locating the same on Bird's Hill in preference to Ryan's Hill where the present one is situated. The new location would require a height of standpipe a little over one-half that of the old one to get the same pressure, and the result of getting a more even distribution will be obtained.

Wherever the well and standpipe are located these are problems that must be faced, for the town is growing at such a rate that to have plenty of water at all times, even in a dry season, we must plan a supply for a town of the future as well as one of the present.

An issue of bonds will be asked for these additions to our supply at the annual town meeting.

Five thousand white pine trees (transplants) were set out in April on the water works land, and we propose to follow this plan each year until the reservation is practically covered.

### Bonds

Water bonds to the amount of forty thousand dollars have been issued and sold during the year.

Twenty, one thousand dollar 4% coupon notes dated Sept. 1, 1913, 81-119 inclusive on odd numbers, payable Sept. 1st each year for twenty years. This is the last issue of the fifty thousand dollars authorized by acts of 1905.

Twenty, one thousand dollar 4% coupon notes dated Sept. 1, 1913, 82-120 inclusive on even numbers payable Sept. 1st each

year for twenty years. This is the first issue on account of the fifty thousand dollars authorized by acts of 1913.

Bonds to the amount of eighty-five hundred dollars have matured and been paid during the year, as provided by chapter 259 of the acts of 1900, and in accordance with a vote of the town passed June 28, 1900.

The outstanding bonds mature as follows :

#### Outstanding Bonds

1915 .....	\$8,500 00
1916 .....	8,500 00
1917 .....	8,500 00
1918 .....	9,000 00
1919 .....	9,000 00

1936 .....	6,000 00
1937 .....	6,000 00
<hr/>	
Total outstanding bonds.....	\$186,500 00
Total bonds matured and paid.....	113,500 00
Bonds authorized by legislature and not issued.....	30,000 00
Total authorization.....	330,000 00

### Recommendations

We recommend that \$3,000.00 be appropriated for water for public purposes, the same as in 1914.

Respectfully submitted,

ALBERT E. COLLISHAW,  
EDMUND G. BOND,  
WILLIAM CARTER,

Water Commissioners.

# Superintendent's Report

To the Honorable Board of Water Commissioners.

Gentlemen: I present herewith the report of the department for the year ending Dec. 31, 1914.

## SUMMARY OF RECEIPTS

Cash in treasury Jan. 1, 1914		\$ 386 29
Water rates	\$13,874 77	
Repairs	249 66	
Meter rentals	937 43	
Sale of grass	55 00	
Rent of buildings	144 00	
Interest on bank balances	73 31	
Interest on notes	113 53	
Accrued interest on coupon notes	246 67	
Premium on coupon notes	349 00	
Water for public purposes	3,000 00	
		<hr/> 19,088 37
Extension of services	1,108 35	
Sale of Colburn barn	125 00	
Sale of old iron	20 39	
Sale of water loan coupon notes	40,000 00	
		<hr/> 41,253 74
		<hr/> \$60,728 40

## SUMMARY OF EXPENDITURES

Extension of main	\$ 2,733 00
Extension of service	2,497 94
Purchase of meters	572 74
On account of pump installation and accessories	5,062 26

Station and shed	432 98	
Station grounds and roadway	352 56	
Colburn house mortgage and improve- ments	5,810 42	
Engineer's house improvements	197 41	
Increasing and protecting	800 36	
	<hr/>	18,459 67
Coal	1,444 72	
Engineers	1,422 00	
Helper	560 00	
Repairs on boiler	35 24	
Labor on station and grounds	19 69	
Supplies for station	379 05	
Telephone service	5 30	
Lighting station	41 90	
	<hr/>	3,907 90
Telephone service	54 35	
Printing and stationery	119 96	
Salaries	1,430 00	
Clerk and meter reading	518 89	
Repairing parts and care of meters	602 26	
Labor and material on leaks	226 38	
Interest on Colburn place mortgage	89 91	
Premium on liability insurance	349 03	
Labor supplies and general repairing	1,086 68	
	<hr/>	4,477 46
Interest on bonds	7,000 00	
Interest on temporary loans	291 17	
Notes of 1913	20,000 00	
On account of 1913 loan	3,000 00	
Expense on checks	21	
Printing coupon notes	15 00	
Certification of notes	80 00	
	<hr/>	30,386 38
Cash in treasury Dec. 31, 1914		3,496 99
		<hr/>
		\$60,728 40

## CONSTRUCTION ACCOUNT

### Receipts

Extension of services, etc.	1,253 74	
Sale of bonds	40,000 00	
	<hr/>	41,253 74

### Expenditures

Orders drawn	18,554 67	
1913 notes in anticipation of bond issue	20,000 00	
1913 general fund loan	2,000 00	
	<u>          </u>	40,554 67

Cash balance		699 07
--------------	--	--------

### Liabilities

Balance of 1913 loan		4,500 00
----------------------	--	----------

### Assets

Cash balance	699 07	
Due from all sources	717 86	
	<u>          </u>	1,416 93
		<u>          </u>
		3,083 07

Amounts transferred from earnings of department to construction ac- count previous to 1914		10,126 63
--	--	-----------

## MAINTENANCE ACCOUNT

### Receipts

Balance Jan. 1, 1914		\$ 386 29
Received from all sources	16,088 37	
Water for public purposes	3,000 00	
	<u>          </u>	19,088 37
		<u>          </u>
		19,474 66

### Expenditures

Orders drawn	8 385 36	
Interest on bonds, loans, etc.	7,291 38	
On account of 1913 loan	1,000 00

Cash balance		2,797 92
--------------	--	----------

### Assets

Cash balance	2,797 92	
Due on water rates	6,200 22	
Due on meter rentals	364 25	
Due on repairs	96 10	
Due on grass	10 00	
	<u>          </u>	\$ 9,468 49

## Liabilities

Balance of loan	3,000 00
	<hr/>
	6,468 49

## Cost of Works

Cost of works as reported Dec. 31, 1913	312,896 04
Expended in 1914	17,300 93
	<hr/>
	\$330,196 97

## ANNUAL REVENUE

Revenue since works were established, excluding income received from the town for water for public purposes.

1890	\$ 505 99
1891	2,318 45
1892	3,125 99
1893	4,205 75
1894	5,096 07
1895	5,826 42
1896 (ten months)	5,362 11
1897	6,629 75
1898	6,808 11
1899	7,334 06
1900	7,857 09
1901	7,593 08
1902	7,890 28
1903	8,959 75
1904	9,156 81
1905	9,397 11
1906	12,285 20
1907	11,051 37
1908	12,391 19
1909	12,378 89
1910 (new rate \$6.00 minimum)	10,995 10
1911	14,080 56
1912	14,461 30
1913	14,865 69
1914	17,419 34

## METERS

Seventy-two meters have been purchased and five exchanged, four 1-2 in. Bees for four 5-8 in. Lamberts. One 5-8 in. Nash for one of the same make, making one thousand three hundred fifty-one in the department. Consumers own three hundred fourteen and the department one thousand thirty-seven.

### LIST OF METERS

NAME AND SIZE	1-2 in.	5-8 in.	3-4 in.	1 in.	1 1-2 in.	2 in.	Total.

Total . . . . .	2	1,321	4	14	6	4	1,351

## SERVICES

Eighty-two services have been added during the year, one discontinued making a total of one thousand four hundred nineteen. Fifty one have been shut off temporarily, and twenty-eight supply the public buildings, parks and fountains of the town. There are also fifteen private fire service mains for the protection of property.

The length of service pipe laid is 9,005.2 feet, added to the amount reported Dec. 31, 1913, makes a total of 138,177.1 feet or 26.17 miles.

Largest day's pumping, (running test) February 17th, 940,000 gallons  
 Largest day's pumping, (except test) June 8th, 708,000 gallons  
 Smallest day's pumping, Nov. 29th, 310,000 gallons  
 Largest week's pumping, Sept. 22nd to 28th, 3,900,000 gallons  
 Smallest week's pumping, Nov. 23rd to 29th, 2,400,000 gallons

# Summary of Statistics

For the Year Ending Dec. 31, 1914

Needham Water Works, Norfolk County, Mass.

Population by census of 1910, 5,026.

Date of construction 1890.

By whom owned, Town of Needham.

Source of supply, wells.

Mode of supply, pumping to standpipe.

## Pumping

1 Builders of pumping machinery, The George F. Blake Mfg. Co., and Laidlaw-Dunn-Gordon Co.

2 Description of fuel used:

a Kind, bituminous coal, per gross ton, \$4.93.

3 Coal consumed for the year, 502,650 pounds.

4 Total pumping for the year, 144,269,698 gallons, without allowance for slip of the pumps.

5 Average static head against which pumps work, 242 feet.

6 Average dynamic head against which pumps work, 277 feet.

7 Number of gallons pumped per pound of coal, 287.0

8 Duty = (gallons pumped x 8.34 (lbs) x 100 x dynamic head) ÷ total fuel consumed.

Old pumps, 35,995,559 foot pounds

New pump, 72,383,310 foot pounds

Cost of pumping figured on pumping station expenses, viz: \$3,907.90.

- 9 Per million gallons pumped, \$27.08.
- 10 Per million gallons raised one foot (dynamic) .098.
- Cost of pumping figured on total maintenance, including interest on bonds, viz : \$15,676.74.
- 11 Per million gallons pumped, \$108.66.
- 12 Per million gallons raised one foot (dynamic) .39.

### Consumption

- 1 Estimated population of town, 6,000.
- 2 Estimated population on lines of pipes, 5,950.
- 3 Estimated population supplied, 5,940.
- 4 Total consumption, 144,269,698 gallons.
- 5 Average daily consumption, 395,259.
- 6 Gallons per day to each inhabitant, 65.8.
- 7 Gallons per day to each consumer, 66.5.
- 8 Gallons registered by meters, 48,208,432.
- 9 Water for public purposes not metered.

### Distribution Mains

- 1 Kind of pipe, cast iron.
- 2 Sizes, from 4 to 18 inches.
- 3 Extended during the year, 3,328.0.
- 4 Total now in use, 39.94 miles.
- 5 Number of hydrants added during the year, 8.
- 6 Number of hydrants now in use, public, 324; private, 19—total 343.
- 7 Number of stop gates added during the year, 7.
- 8 Number of stop gates now in use, 324.
- 9 Range of pressure on mains, 63 to 120 lbs.

### Services

- 10 Kind of pipe, cast iron, cement lined and galvanized iron, lead, and lead lined iron.
- 11 Sizes, 1-2 inch to 8 inch.
- 12 Extended 9,005.2 feet.
- 13 Total now in use, 26.17 miles.

- 14 Number of services added during the year, 82.
- 15 Number now in use, 1,419.
- 16 Number used for public purposes, 28.
- 17 Number of meters added, 72.
- 18 Number now in the department, 1,351.
- 19 Percentage of services metered (domestic) 100.

Water pumped since works were established Dec., 1890 :

TOWN OF NEEDHAM

---

ANNUAL REPORT

OF THE

OVERSEERS OF THE POOR

FOR THE YEAR 1914

---

NEEDHAM  
The Chronicle Press  
1915

# Report of Overseers of the Poor

---

January 1st, 1915.

To the Citizens of Needham :

The first report of the separately elected board of Overseers of the Poor from March 1914, to December 31st, 1914, is herewith presented.

The board has acquainted itself with the cases under its supervision through personal visit and through its agent. Our main effort has been to make the applicants for aid find a way to help themselves, thereby increasing their own efficiency and being a less charge upon the town.

On account of the depression in business our appropriation has been exhausted and we have on hand several unpaid bills for the year 1914. For the months of January and February, 1915, disbursements will be made as provided for in the municipal finance laws, which allows of the expenditure of one twelfth (1-12) of the total appropriation of 1914, in each of the above mentioned months, January and February 1915.

The board recommends that tuberculosis cases be placed under the supervision of the board of health, as they are infectious diseases and can be better handled by said board. We have five cases at present.

Our town physician has made one hundred and nineteen (119) visits during his term.

With the population of our town based at 5,900 the cost per capita for aid disbursed for the year 1914 is ninety-three cents (\$.93)

Under chapter 763 of the revised laws of 1913, that is a law to provide for widows with dependent children, we have three cases with the possibility of two more in the future. This law adds to the expense of poor relief generally.

The board would like to have all charitable organizations confer with them relative to giving aid to any family in town, so that duplicate aid will be avoided as it is unfair to the recipient as well as to the board and the organizations rendering same.

We herewith submit a tabulated report of our cases.

SCHEDULE OF EXPENDITURES FOR THE YEAR 1914  
ENDING DECEMBER 31st.

Reg- ister No.	Personel	Duration of aid	Type of aid	Amount
325	Widow	12 mos.	Board	\$ 191 11
341	Widower	19 1-2 wks.	Hospital	166 95
239	Family of 6	2 mos.	Food, fuel	40 65
280	Family of 4	3 wks.	Food	10 00
342	Family of 6	4 wks.	Food	19 08
343	Widow	12 mos.	Full support	213 49
155	Family of 4	12 mos.	Rent, food	131 62
302	Family of 5	16 mos.	Full support	358 96
353	Single male	1 day	Board	1 50
243	Widower	9 mos.	Board	180 72
264	Man, wife	6 mos.	Cash, rent	34 00
354	Widow, 2 children	5 mos.	Rent, food	116 27
213	Family of 6	3 mos.	Food, fuel, cloth.	31 06
213	Boy	72 days	Hospital	108 75
355	Family of 6	8 mos.	Cash	207 44
238	Single female	6 mos.	Board	92 60
356	Family of 5	10 wks.	Food, fuel	40 59
346	Family of 6	12 mos.	Food, cash, fuel	405 03
121	Widow	12 mos.	Board	234 38
321	Widow	12 mos.	Full support	194 33
347	Mother, child	12 mos.	Cash	172 83
332	Family of 6	12 mos.	Rent, food	264 24
349	Family of 6	2 mos.	Food	33 03
348	Widow	2 days	Hospital operation	69 30
293	Widow	12 mos.	Board	269 24
228	Family of 4	12 mos.	Food, rent	176 25
285	Family of 3	12 mos.	Rent, food, fuel, cloth.	385 58
163	Widow	12 mos.	Cash	60 00
120	Single male	12 mos.	Board	218 33
335	Family of 3	12 mos.	Rent, food, medical	132 28
133	Family of 2	19 mos.	Medical, fuel, food	289 83
350	Boy	39 weeks	Hospital	157 72
173	Family of 7	2 weeks	Food	12 00
357	Widow	7 mos.	Cash, Rent	57 05
352	Family of 8	4 weeks	Food	8 00
359	Widower	17 weeks	Hospital	60 50
351	Single male	1 week	Hospital	24 25
360	Single male	3 weeks	Board	15 00
309	Family of 8	5 weeks	Food, hospital	37 15
361	Widow	1 week	Food, fuel	4 91
59	Single female	12 mos.	Board	221 61
253	Family of 2	12 mos.	Food, rent	264 57
247	Married female	6 mos.	Food, medical, board	50 42
358	Widow	4 weeks	Hospital, food	84 75
312	Family of 9	2 weeks	Food, fuel	11 03
240	Minor female	12 mos.	Board	160 05
Town Physician				150 00
Administration and expense				195 95
Total disbursements				\$6364 40

Reimbursements for the year amount to \$841.95

# COMPARATIVE STATEMENT OF EXPENDITURES FOR

	1913	1914
Board	\$1814 80	\$1506 76
Rent	670 00	899 67
Food	810 14	1388 34
Fuel	238 17	291 61
Medicine and Medical attendance	335 08	531 90
Clothing	89 00	64 94
Hospital	1002 73	601 67
Cash	168 00	867 70
Incidentals	27 25	186 81
Burial	25 00	
Removal of persons	12 27	
Furniture		25 00
	<hr/>	<hr/>
	\$5192 44	\$6364 40

# COMPARATIVE COSTS OF AID PER PERSON FOR

	1913	1914
Hospital and infirmary aid per day	\$1 23	\$1 12
Temporary aid per week	40	33
Boarded or fully supported cases per week	4 16	4 14
Number of cases aided	42	46
Number of persons aided	98	136

---

In conclusion we would like to have the voters of this town know that our expenditures and the aid rendered compare very favorably with other towns of the same size and conditions, as reported by the State board of Charity. We would also call to the attention of the citizens that, whereas the number of persons aided in 1913 was 98, in 1914 it was 136, it cost the town

only 23% more, but the number of persons aided increased almost 39%.

Respectfully submitted,

OVERSEERS OF THE POOR,

ALFRED T. BAKER, Chairman

HARRY E. WALKER, Secretary

SUSAN W. FISKE.

The circulation of books has been large during 1914, and arrangements have been made which much improved the service at the delivery stations at the Upper Falls and Greendale.

The librarian is enterprising and devoted to her duties, and it has been a year with good results in various ways. The new library now occupies the attention of the citi-

zens, and the trustees expect to make a longer and more interesting report for 1915.

Respectfully submitted for the Trustees,

GEORGE K. CLARKE, Chairman.

January 9, 1915.

# Report of Park Commissioners

---

To the Citizens of Town of Needham:

The past year we have added to our list of parks a large triangle at the junction of Central and Great Plain Avenues, to which has been given the name "Noyes Park," after Doctor Noyes, who practiced medicine for many years in Needham, and whose home was near that locality.

That the whole neighborhood of this park has a better tone, is very noticeable. It is natural that we should recommend additional parks and to this end suggest the low land at the foot of Maple Street between Chestnut Street and Mark Tree Road as a possible Park and Playground.

In the last five years two parks and five triangles have been added to the department, together with the care of the Bathhouse during the summer months.

We solicit the co-operation of each citizen in making our town more attractive.

CHAS. W. PEASE,  
T. J. CROSSMAN.  
WM. LEE.

# Report of the Board of Health

---

To the Citizens of the Town of Needham:—

The Needham Board of Health organized for the year 1914 as follows: Chairman, J. Walter Schirmer, M. D.; Secretary, Dr. Edgar A. Crossman, and Virgil A. Rowe. The same arrangement in the conduct of this department as for the year 1913 was continued in 1914, and the appended report of our agent, Mr. Robert N. Hoyt, will show what we are attempting to do in order to maintain the high degree of health standards which this town enjoys. We have made a somewhat lengthy report since we desire to make publicity a feature of this department, and a careful perusal of the tables showing the low death rate and especially the rate of infant mortality as compared with births, will show to a degree the effectiveness of this kind of work. We cannot materially lessen the number of deaths from old age and the infirmities incident to senility, but much can be done and is being done to lessen the loss of life prematurely by watchfulness in our milk supplies and the careful quarantine and disinfection in cases of contagions and in the prevention of these. The old adage that an ounce of prevention is worth a pound of cure is never better adopted than to the health and sanitation of a community. The number of cases of contagious diseases during the past year has been almost a negligible factor, due partially to the modern scientific methods practised by our physicians, and their splendid co-operation with this department. And with the exception of tuberculosis from which there have been five deaths in 1914, but three deaths from all the others have been reported.

A start was made this year towards the extermination of

flies and mosquitos, and as regards the former, a marked diminution has been noted during the past summer. The hearty co-operation of all the inhabitants of this town is necessary however in order to accomplish any definite results. We wish to call attention to the splendid work performed by the Clean Up and Paint Up Committee last spring, and hope that this feature will become permanent. The excellent work being done by our district nurse along the lines of hygiene and sanitation is also to be commended.

The office of this department in the town hall is open on Wednesday evenings at 8 o'clock, and a member of the board is on hand to receive complaints, suggestions, and to offer such advice as may be required.

Signed

J. WALTER SCHIRMER

# Report of the Agent of the Board of Health

---

The Board of Health of Needham,  
Gentlemen :

I herewith submit my report as your agent and milk inspector for the year 1914 :

## I. THE CO-OPERATIVE HEALTH ORGANIZATION.

On April 1, 1913, you secured the services of the Co-operative Health Organization founded by Prof. E. B. Phelps with the financial assistance of the Massachusetts Institute of Technology and the United States Public Health Service.

## II. DISEASES DANGEROUS TO THE PUBLIC HEALTH

### 1. METHODS OF PROTECTING THE COMMUNITY

The prompt isolation of infected persons has been the basis of our system of controlling communicable diseases. Without the distribution of infectious material from individuals, there can be no spread of such diseases as scarlet fever, diphtheria or typhoid fever. It has therefore been our endeavor to discover these cases before damage has been done. Physicians have aided us by early telephone reports and by notifying us of suspicious cases. Our bacteriological laboratory has hastened the diagnoses and has made possible the detection of light and atypical cases which otherwise might have spread diseases.

As soon as a new case of scarlet fever, diphtheria, or typhoid fever is reported or discovered, a visit is made to the house and the case history written up on a standard form to deter-

mine the necessary precautions to prevent the spread of infection, and to trace if possible, the source of disease. The patient is isolated with a nurse at home when practical. The quarantine restrictions on other members of the family depend partly on the efficiency of the isolation of the case and on the nature of their occupation. The nurse is given necessary instructions and furnished with an unlimited supply of efficient disinfectant. The bedside disinfection of excretion and infected articles is required. Particular emphasis is laid on disinfection of the hands of the nurse before she leaves the sick room. When satisfactory home insulation cannot be secured, the case is sent to a hospital. The expense is borne by the town, either in whole or in part, when the family is unable to pay.

In general, patients are released only after the attending physician has certified that the case has recovered. Diphtheria patients are held in isolation until two cultures from both nose and throat, taken on separate days, have failed to show the presence of diphtheria bacilli. In the case of scarlet fever, no patient is released within four weeks from the appearance of the rash.

After recovery, death, or removal, fumigation by means of formaldehyde candles is performed as a preliminary to the more efficient disinfection of boiling linen, scrubbing woodwork, and exposing other articles to sunlight.

## 2. PREVALENCE OF DISEASES DURING THE YEAR

Table I. given below shows the occurrence of communicable diseases during each of the twelve months of 1914.

### DIPHTHERIA

Of the five cases of diphtheria, one was an adult. Three were children of school age, and one was under school age. The only case which failed to recover was the youngest child. Antitoxin was refused at first by the parents. This delay was greatly to be regretted. One of the five cases was taken ill the day before arriving in Needham and was known to have been

infected out of town. A diphtheria carrier at a Needham dairy was discovered by the Brookline Board of Health. Prompt isolation and pasteurization prevented secondary cases.

#### SCARLET FEVER

There were five cases of scarlet fever. Two were under school age, one was in public school, one in private school, and one an adult. The latter case was sent to a hospital at private expense, as it occurred on a dairy.

#### TYPHOID FEVER

The four cases of typhoid fever occurred in the fall. They were probably "vacation typhoid" i. e., contracted during absence on summer vacation or outing. One of these cases was fatal.

There was no evidence of any spreading of infection through the public schools or through milk supplies.

#### DEATHS FROM COMMUNICABLE DISEASES

Eight deaths from communicable diseases were reported as follows: Tuberculosis, 5; diphtheria, 1; typhoid fever, 1; measles, 1.

TABLE I  
CASES OF COMMUNICABLE DISEASES BY MONTHS FOR THE YEAR 1914

Diseases	Jan.	Feb.	Mar.	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.	Totals

Totals .....	212	26	32	32	35

### 3. BACTERIOLOGICAL LABORATORY

Examinations for diphtheria, tuberculosis, typhoid fever, malaria, gonorrhea, and syphilis have been made at the laboratory. The total number of specimens examined increased from 149 in 1913 to 178 in 1914.

A detailed report of the diagnostic tests is given in table 3 given below.

TABLE III.

#### DIAGNOSTIC EXAMINATIONS

	1913	1914
Total examinations for physicians	149	178
DIPHTHERIA		
Number of cultures examined	64	67

## 4. DISINFECTION.

The following 40 fumigations with solidified formaldehyde were performed.

DISEASE	HOUSES	ROOMS
Diphtheria	8	16
Scarlet fever	5	13
Tuberculosis	4	11
	<hr/>	<hr/>
	17	40

1 hack fumigated for diphtheria.

## III. INFANT MORTALITY

Deaths of infants under one year are very largely due to preventable causes. Ignorance of the mother as to proper care and feeding, and dirty milk, are frequently responsible. The work of the visiting nurse and of the milk inspector should result in the saving of infants' lives. During the last five years an average of over eleven deaths under one year of age have occurred. This is a poor record as compared with Wellesley, although it is better than the average for the state.

TABLE IV  
DEATHS, DEATH RATES, BIRTHS, AND INFANT MORTALITY FOR FIVE YEARS

Year	NEEDHAM					MASSACHUSETTS		
	Total Deaths	Population	Death Rate per 1,000 Pop.	Deaths Under 1 Year	Births	Infant Mortality per 1,000 Births	Death Rate per 1,000 Pop.	Inf. Mort. Rate per 1,000 Births
1910	75	5047	14.9	16	122	131.1	16.0	134.2
1911	78	5148	13.2	13	119	109.2	15.2	120.9
1912	80	5249	15.2	13	130	100.0	14.7	117.8
1913	74	5350	13.8	8	121	66.1	14.8	110.6
1914	58	5451	10.1	7	122	57.4	00.0	000.0
Average	72.4	5249	13.4	11.4	122.8	92.76	16.0	129.5

The above population figures are estimated from the U.S. census returns. The Board of Assessors have made a census for 1914 which gives Needham a population of 5926. On the basis of this population the death rate of Needham would be 10.0.

TABLE V  
RESULTS OF BACTERIOLOGICAL EXAMINATIONS  
OF MILK, 1914

Bacteria per Cubic Centimeter	Samples from Wagons		Samples from Stores	
	No.	PerCent.	No.	PerCent.
Below 10,000 . . . . .	24	29.3	0	0
10,000 to 20,000 . . . . .	14	17.1	2	40

Above 5,000,000 . . . . .	0	0	0	0
Total Samples Above 300,000 . . .	9	10.9	0	0
Total number of samples collected .	82	100.	5	100.

#### IV. SCHOOL INSPECTION

The inspection of school children is under the control of the school committee and the work of school physicians is recorded in their report. I have assisted the school physicians by examining large numbers of throat cultures for them at the laboratory and by supplying them with the materials for such examinations. A school nurse who could also act as an infant mortality nurse would be most valuable in saving life and preventing disease.

#### V. FOOD INSPECTION

##### 1. MILK INSPECTION

The work of milk inspection has three distinct objects: clean milk, uninfected milk and unadulterated milk. Dirty milk is responsible for a large part of the deaths of infants under one year of age. It is also an offence to decency to which the public rightfully objects. Clean milk may be secured by the inspection of the dairies but the most effective part of the work of the milk inspector is the milk analyses. This is especially true when the milk analyses are published.

The problem of securing uninfected milk is quite distinct from the problem of securing clean milk. The milk supplied by the cleanest dairies, even of certified grade, is subject to almost as great an extent as milk from the poorest grade of dairies to infection with the germs of typhoid fever, scarlet fever, septic sore throat and diphtheria. The spread of these diseases through milk can be absolutely prevented by proper pasteurization, and by this means alone. The objection to pasteurization, especially in a town like Needham, is that most of the milk dealers have so small a business that it is impossible for them to pasteurize the milk without too great expense. While milk inspection cannot always prevent the spread of diseases through milk, it should be quick to detect an outbreak due to milk, to protect the public by either preventing the sale of this milk or supervising its careful pasteurization.

The state law requires that all milk not labelled as "skim milk" shall contain at least 3.35% butter fats and 12.5% total solids. This is a protection to the pocket book rather than to health. Watered milk, skim milk and milk preserved by addition of formaldehyde would be detected by methods used in the examination of the Needham milk supply.

The number of bacteria per cubic centimeter is the best indicator which we have of the care and cleanliness with which milk has been produced and handled. The table on page 30 shows the results of the bacteriological analyses of the eighty-seven samples of milk collected from milk wagons and stores. These samples were taken without warning, at irregular periods, and were picked by the inspectors themselves. 89.1% of the samples taken from wagons and 100% of the samples taken from stores contained under three hundred thousand bacteria per cubic centimeter, and may be regarded as fairly good.

Forty-eight samples of milk were analyzed chemically, of these, eleven or 22% were chemically below the state standard of richness. As this law is on the statute book, it should be enforced and I, therefore, recommend that the dealers whose milk has been below the state standard of richness, be notified that they must conform to the standard within thirty days.

## 2. DAIRY INSPECTION

Six dairies were inspected and reinspected during the year. By direction of the Board of Health the recommendations of the inspector were sent to each of the dairies with the statement that they must be complied with if the dairymen wished to continue the sale of milk in Needham. Further inspections were stopped by the order of the Bureau of Animal Industry at the time of the outbreak of the Hoof and Mouth Disease.

## 3. FOOD INSPECTION

Such inspections as I have made of the markets, soda water fountains and other places where food is sold has made it clear to me that there is need of a thorough and systematic inspec-

tion of these places. The work has been done by me in other towns where the Board of Health felt it was one of the most important branches of their work.

## VI. NUISANCES.

Forty-two complaints and nuisances were recorded during the year. Of these 28 were abated, in eight cases there was no cause for action, and nine cases are still pending. Eighty-three inspections were made and recorded but a larger number of inspections was actually made. Three tours of house-to-house inspections were made during the year and a considerable number of nuisances found and abated as a result of this work.

TABLE VI  
COMPLAINTS

Total .....	42	83	28	8	9

## VII. MUNICIPAL WASTE.

### 1 GARBAGE.

I believe the time is approaching when Needham should have a system of municipal garbage collection and believe that \$150

would be sufficient to retain the services of one of the men now collecting garbage sporadically as a regular collector for the thickly settled parts of Needham and Needham Heights.

## 2 RUBBISH.

Many complaints have been made about the condition of dumps. I believe that it is highly desirable to secure a dump which shall be known as "The Public Dump" and shall be the one place to which the Public is entitled to take ashes, papers and rubbish. The services of a laborer should be secured to keep this dump in proper condition, especially in the summer time. Offensive material is sure to come from the markets and this should be covered up promptly with ashes or rubbish.

## VIII. FLY NUISANCE.

It is recognized more and more that the most effective method of abating the fly nuisance is the securing of disinfection of horse manure. During the past summer, an Inspector made four visits to each of the stables in town, supplying them with disinfectant furnished by the Board of Health and instructing them of its use. I would respectfully recommend that the Board of Health enact an ordinance, stating a penalty for failure to properly disinfect manure and that this ordinance be enforced by inspections. I would also recommend that efforts be made to interest and educate the entire community with regard to the fly nuisance especially at the time of "Clean-Up and Paint-Up" week in the Spring.

## IX. MOSQUITO NUISANCE.

Effective work for the suppression of the mosquito nuisance would be very expensive, costing, at least, \$500 per year. It is possible, however, that progress toward the suppression of this nuisance may be made this year by securing the aid of the High School students in locating the breeding places in Needham. Following such a survey, property owners might be interested in draining and treating swampy land stagnant pools and considerable good accomplished without much expense to

the Town. Here again education of the Public (as to the source and methods of the mosquito suppression and nuisance) is necessary to effective work.

#### X. VITAL STATISTICS.

Table IV shows the total number of deaths and the death rate for the State of Massachusetts for comparison. There was a remarkable drop in the number of deaths and the death rate in Needham for 1914. This, I believe, is one of the natural fluctuations which occur in any town the size of Needham. On the other hand, it is evident that preventable deaths are not increasing in Needham and if no great credit can be claimed, at least, the excellent showing of this year's Infant Mortality is an answer to criticism.

In conclusion, I wish to thank the members of the Board of Health for the courtesy they have shown me.

Respectfully submitted,

ROBERT W. HOYT,

Agent and Milk Inspector.

# TOWN OF NEEDHAM

## ANNUAL REPORT

OF THE

## BOARD OF ASSESSORS

FOR THE YEAR 1914

---

NEEDHAM  
The Chronicle Press  
1915

## Assessors' Report

---

The board of assessors submit the following report for the year 1914. We are pleased to note as in 1913 that the town is making a marked and steady growth. New people are constantly coming to Needham looking for a home in one of the best and healthiest towns of the state.

This year your board of assessors were confronted with the fact that the sum of \$15,150.40 would have to be raised by taxation above the year 1913.

This was owing to increased state and town appropriations.

As will be seen in the Table of Aggregates we report a gain of \$637,695 from the previous year. Sixty-six new dwellings have been erected and at the present time we have a large number of cards issued by the inspector of buildings for dwellings to be erected since April 1st, 1914, many of which are now completed.

We wish to call your attention again to the block system which is of great importance to our office and town.

In the year 1913 we started this system with an appropriation of \$500 granted by the town and made a survey of the property starting from the east side of the railroad station on Great Plain avenue, running north as far as Rosemary street, easterly to Webster street and Manning street, southerly to the north side of Great Plain avenue, and thence back to the point of beginning.

This year the work was begun at Rosemary street, run-

ning north to the corner of Highland avenue and Webster street, thence easterly on Greendale avenue and High street, thence westerly and southerly back to Webster street, corner of Rosemary street.

We shall be pleased at our office to show any of the citizens interested in this system, which at the present time consists of four large maps and nineteen plans, containing fifty-six blocks of the section re-surveyed.

The original drawings have been placed in the town vault for safety.

A number of the town departments are using these plans for reference and we respectfully ask that an appropriation of \$500 be granted for the continuance of the work for this year.

# Report of the Finance Committee

TO ADJOURNED TOWN MEETING, MARCH 16, 1914

In submitting the report of the Finance Committee to the citizens of the town with recommendations for appropriations for the year 1914, we desire to call attention to several changes in our recommendations for the annual budget. These changes are necessitated by the many changes made in the laws regarding municipal finances by the Legislature of 1913 and also on account of the town having voted to adopt the system of accounting in accordance with the state requirements.

Several new laws, notably chapter 645 and 719 of the acts of 1913 express in statutory form the recommendations of the joint committee of the Legislature. These laws took effect Jan. 1, 1914.

The new law, chapter 719, section 16, reads: "No department of any city or town shall incur liability in excess of the appropriation made for the use of such department, except in cases of extreme emergency involving the health or safety of persons or property, and then, in a town, only by vote of two-thirds of the selectmen." It is important that this be strongly impressed on all departments.

To meet the situation, however, that some unforeseen and extraordinary expenditures may arise during the year that could not be provided for in this town meeting, chapter 645 permits the establishment, by appropriation at the annual meeting of a Reserve Fund and the law provides as follows: "To provide for extraordinary or unforeseen expenditures, towns may at an annual meeting appropriate a sum of money not exceeding five per cent. of the tax levy of the preceding year to be known as the Reserve Fund. No direct drafts against this fund shall be

made, but transfers from this fund may from time to time be voted by the Finance or Appropriation Committee of the town in towns having such a committee." We therefore recommend the appropriation for a Reserve Fund.

Printing and Stationery and Incidentals, so called, for which appropriations have been made in the past have been drawn on by various departments so that while these appropriations have been in charge of the selectmen, they have not had full control of the same. To remedy this we recommend making appropriations for several departments and town officials in accordance with section five of the Town Accountant Act, chapter 207, acts 1911, which reads as follows: "The departments and officials shall include in their estimates the amounts necessary for the proper maintenance of the department under their jurisdiction for the year and the salaries and the expense connected with their own office or department." We therefore recommend separate appropriations for each department and have kept the aggregate of these separate appropriations which formerly drew from Incidentals, Printing and Stationery, Salaries for Town Officers and Bonds for Town Officers at approximately the same figures as required during the year 1913.

Certain of the appropriations recommended seem to call for explanation or comment.

### **Fire Alarm Maintenance**

The finance committee investigated the fire alarm system and found that certain outside line construction, box repairs and interior work is necessary in order to maintain efficient service. The outside work is most needed, and we therefore recommend that the estimated cost for this outside work be appropriated this year. We also recommend that one new fire alarm box be installed and that all boxes be equipped with key guards with the outside key trapped in box, making same readily accessible and thereby doing away with keeping keys at nearby houses.

### **Schools**

The increased amount called for in the school appropriation provides for additional teachers and increased salaries of teachers

as voted by the town. Also extensive repairs on the Kimball and Avery school buildings.

### **Highways**

Last year over twenty-four thousand dollars was expended on the highways. The motor traffic has so destroyed many of our old main thoroughfares that the finance committee recommends that the town expend a similar amount this year and take advantage of paragraph 8, section 5 of chapter 719 of the acts of 1913, which allows the town to incur debt for macadam pavement under specifications approved by the Massachusetts Highway Commission and issue notes to the extent of \$10,000 payable in five years. The committee consider that by pursuing this policy for three or four years on the main thoroughfares the highways should be in such condition that the highway appropriation could be very materially decreased.

Articles 9, 10, 12, and 30.

The finance committee recommends that no appropriations be made under these articles.

The appropriations herewith recommended if accepted by the town will make the tax rate approximately \$19.40.

Articles 15 and 16.

We are advised that no appropriation can be voted under these articles as the town has not accepted the act allowing the procedure called for in Article 15, so that no recommendation is made.

Articles 18, 20, 22, 24, 26, 28.

The finance committee recommends that appropriations be made under these articles, provided the streets are accepted by the town and that the abutters agree to an assessment of not less than 75 per cent of the cost of construction, and recommend that if money is appropriated that the town issue notes for a period of ten years as provided in the statutes to cover such expenditures.

Austin Potter and Frank W. Gorse of the new committee met and approved the recommendations.

# TABULATED SCHEDULE OF APPROPRIATIONS

Appro. Jan. and Feb. 1913.	Net Cost 1913.		Asked for 1914.	Finan. Com. recommnd.

## For the Annual Town Meeting

### March 1, 1915

---

COMMONWEALTH OF MASSACHUSETTS, NORFOLK, SS.

To George Twigg, a constable of the Town of Needham, in said county, greeting :

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town on Monday, the first day of March next, at five forty-five o'clock in the forenoon, then and there to act upon the following articles, viz. :

ARTICLE 1. To choose by ballot the following town officers: One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one water commissioner for three years, two trustees of the public library for three years, one park commissioner for three years, one tree

warden for one year, three members of the finance committee for three years, and upon the same ballot to vote yes or no on the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

ARTICLE 2. To choose or appoint all other necessary town officers in such manner as the town may determine.

ARTICLE 3. To hear and act on the reports of town officers and committees.

ARTICLE 4. To see what disposition the town will make of the money received for dog licenses.

ARTICLE 5. To see if the town will vote to authorize the treasurer with the approval of the selectmen to borrow money in anticipation of the revenue of the current financial year.

ARTICLE 6. To see what sums of money the town will appropriate for the construction, maintenance and repairs of highways, townways, sidewalks and bridges; for the support of schools; for the maintenance of the public library; for the relief and support of the poor; for the observance of Memorial Day; for the care and improvement of parks and public grounds; for the use of the tree warden; for other necessary town charges and expenses, including unpaid bills of 1914.

ARTICLE 7. To see what action the town will take in regard to unexpended balances.

ARTICLE 8. To see how the town will have its taxes collected and fix the compensation therefor, for the current year.

ARTICLE 9. To see what action the town will take in regard to the pay of town officers.

ARTICLE 10. To see if the town will vote to adopt the schedule form of fire insurance.

ARTICLE 11. To see if the town will appropriate the sum of fifty-five hundred dollars for the purchase of a motor fire apparatus or pass any vote or votes relative thereto.

ARTICLE 12. To appropriate money to pay the tuition of pupils in the vocational school at Newton.

ARTICLE 13. To see if the town will take by right of eminent domain a parcel of land situated in the Riverside district on the south side of Highland street consisting of lots 51, 52, 53, 54, old lot 7, and sufficient owned by Joseph Preskenis adjoining the back of these lots, so that the whole tract shall be a square 150 feet per side, said land to be taken for the purpose of erecting thereon a building to be used for a public school, and to see if the town will appropriate money to pay for this land so taken.

ARTICLE 14. To see if the town will vote to buy a lot of land on or near Riverside street, off Highland ave., near the Charles River, for the location of a school house and appropriate money therefor, or pass any vote or votes relative thereto.

ARTICLE 15. To see what sum of money the town will appropriate for grading the grounds at the Stephen Palmer school and for sidewalks on May and Pickering streets, and for walks to the building and for a suitable division fence on the east side of the lot, or pass any vote or votes relative thereto.

ARTICLE 16. To appropriate money to build the approaches to High Rock street bridge.

ARTICLE 17. To see if the town will vote to accept Manning street from Powers street to Gibson street, as laid out by the selectmen.

ARTICLE 18. To see if the town will vote to accept

Otis street from Webster street to the DeLue farm, as laid out by the selectmen under chapter 50 of the Revised Laws and amendments thereto.

ARTICLE 19. To see if the town will vote to appropriate the sum of nine hundred dollars for the construction of Otis street upon the petition of Samuel Kingsbury and others.

ARTICLE 20. To see if the town will vote to extend its water main on Greendale avenue from present dead end to St. Cloud avenue, and appropriate money for the same, on petition of W. S. Cassidy, jr., and others.

ARTICLE 21. To see if the town will instruct the selectmen to appoint a play ground commission under chapter 508 of the revised laws of 1910.

ARTICLE 22. To see if the town will authorize the play ground commission to be appointed under the foregoing article to make a survey for an athletic field and to expend not more than one hundred dollars for such expert engineering advice as they deem necessary.

ARTICLE 23. To see if the town will vote to appropriate the sum of four hundred dollars to equip the Avery school yard for a small play ground and to supervise the same, on petition of Frank W. Gorse and others.

ARTICLE 24. To see if the town will purchase the gymnasium equipment formerly used by the Needham Young People's Association for the use of the high school pupils, and appropriate the sum of five hundred dollars therefor, on petition of Leonard O. Packard and others.

ARTICLE 25. To see if the town will make the following amendments to the building laws. In part A. section 7, "Proximity to other buildings" to read, "No wooden building to be used for a dwelling house shall exceed forty-

five feet in height, and no portion of any wooden building over ten feet in height shall be placed at a less distance than ten feet from the line of the lot upon which the building is to be located except in the case of an addition to an existing dwelling in which case the before mentioned addition may be placed at a distance not less than five feet from the lot upon which the addition is to be located. In both cases if the dwelling is within ten feet of another wooden building, a fire resisting wall is to be substituted for a wooden wall of a thickness and in the manner prescribed for fire resisting wall" and in part B, section 26, "Distance from side lot line" to read, The side walls of any tenement house hereafter erected, enlarged or placed shall not be nearer than ten feet to the line of any adjoining lot or nearer than twenty feet to a wall or any other building except in the case of an addition to an existing dwelling in which case the before mentioned addition may be erected at a distance no nearer to the line than the present dwelling." Upon petition of Isaac A. Grant and others.

ARTICLE 26. To see if the town will vote to assume the expense of the suppression of gypsy and brown tail moths in the Needham cemetery, including the bill for nineteen fourteen, and appropriate money therefor.

ARTICLE 27. To see if the town will vote to pay the balance due on account of the publication of Needham's Bicentennial Celebration and appropriate money therefor.

ARTICLE 28. To see if the town will vote to appropriate the sum of five hundred dollars for the celebration of July fourth, nineteen fifteen, on petition of J. Percy Chambers and others.

ARTICLE 29. To see what action the town will take upon the recommendation of the committee appointed by the voters of the Town of Needham, June 16, 1914, to re-

port regarding amending or revising the by-laws of the town in regard to plumbing.

ARTICLE 30. To see if the town will vote to issue additional water loan bonds under and according to the provisions of chapter 107 of the acts of 1888, chapter 514 of the acts of 1913, and all intervening acts relating thereto.

ARTICLE 31. To see what action the town will take in regard to borrowing money in anticipation of issuing its water loan bonds.

ARTICLE 32. To see if the town will vote to amend section five of the by-laws adopted at the town meeting held in January, 1910, and amended at the town meeting held in March 1910, striking out the second paragraph and inserting in the place thereof the following: "It shall be the duty of the finance committee to inform themselves concerning those affairs and interests of the town the subject matter of which is generally included in the warrants for its town meetings; and the officers of the town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided however, that any such information may be withheld when in the opinion of the officer or board of officers so requested, the communication therefor might injuriously effect the interests of the town or its citizens. The finance committee shall consider the various articles in the warrants for all the town meetings held during the period for which they were elected, and they shall report in print before all such town meetings their estimates and recommendations for the action of the town.

ARTICLE 33. To see if the town will vote to reimburse the board of fire engineers the amount expended by said board in securing a decision of the supreme court as to the interpretation and meaning of the General Statute

providing for the establishment of fire departments in towns and the appointment of engineers for such departments; and appropriate the sum of two hundred and fifty dollars for such reimbursement, on petition of George W. Southworth and others.

ARTICLE 34. To see if the town will vote to have the reports of its officers, and the proceedings of this and subsequent town meetings printed and copies thereof distributed.

ARTICLE 35. To see what action the town will take to have its by-laws revised or amended.

ARTICLE 36. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, and to act upon the appropriations asked for or proposed by the selectmen or by any town officers or committees.

The polls may be closed at four o'clock p. m.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting, and also to leave a copy at each of the several dwelling houses within the town.

Hereof fail not and make due return of this warrant, with your doings thereon, unto our town clerk on or before said day and hour.

Given under our hands at Needham aforesaid this twenty-eighth day of January A. D. nineteen hundred and fifteen.

JAMES M. McCracken,  
SAMUEL H. WRAGG,

Selectmen of Needham.

A true copy. Attest:

GEORGE TWIGG,

Constable of Needham.
